**Shelter Veterinarian** - Pittsburgh, PA; Animal Friends, Inc.

Do you want to make a difference in the lives of homeless animals? To work for an organization that is focused on the overall wellness of dogs, cats, and rabbits while they await their adoptive home? To be part of a team who delivers truly life-saving treatment opportunities to animals with medical or behavioral needs? Are you up to the challenge? If your answers to these questions are “yes” we want to hear from you! Because at Animal Friends, we’re all about saving lives! Animal Friends, Inc. in Pittsburgh is looking for a shelter veterinarian to direct medical care and perform surgical procedures on dogs, cats, and rabbits in our care. Veterinarians have access to a full surgical suite, digital x-ray, basic dental equipment, and isolation and quarantine kennels for dogs and cats. Working alongside of the Senior Medical Coordinator (who is responsible for all medical staff supervision and most administrative duties), additional key responsibilities would include development of medical SOPs, providing direction during disease outbreaks, and providing education to shelter staff and volunteers. Shelter medicine experience is preferred, as is experience with pediatric spay/neuter in addition to other basic surgical procedures. Make a real difference for animals and join the team where we are thinking outside the cage! Benefits: Health/Vision/Dental Benefits, Profit sharing retirement plan with employer contribution, Licensing Expenses, Continuing Education Expenses, Paid Time Off, holidays, sick time, vacation, and your birthday! Free and confidential employee assistance program, One “priceless” animal adoption per year, Being part of a life-saving team that makes a difference every day, Unlimited puppy kisses! About Animal Friends, Inc.: For 75 years, Animal Friends has continually set and raised the bar for humane programming in the Pittsburgh region. Our 75-acre campus serves as a center of compassion and hope for more than 2,600 homeless pets annually. With two facilities on our campus, our full-service companion animal resource community serves our region by providing approximately 15,000 spay/neuter surgeries annually, and impacting more than 120,000 lives through humane education, pet behavior classes, pet therapy and our pet food bank each year. Animal Friends is proud to continue to save lives simply put, because it’s what we do. Our vision: To ensure the well-being of companion animals while ending over-population, abuse, and unwarranted euthanasia. Requirements: Doctor of Veterinary Medicine (DVM or VMD) , Eligible to be licensed to practice veterinary medicine in the state of Pennsylvania. (We will pay fees.), Current DEA license for controlled substances. (We will pay for renewal fees.), Willingness and ability to work hours necessary for successful organizational operations and care of the 250+ animals on site, including coverage on some weekends, holidays, and evenings. **You can learn about our organization, and its “no kill tradition” and its many programs here: [www.ThinkingOutsideTheCage.org](http://www.ThinkingOutsideTheCage.org).
