DVM FULL TIME

-

Associate Veterinarian - Phoenix, Arizona; AZPetVet

Who are we? AZ Pet Vet is a family of animal hospitals located throughout the Greater Phoenix area. In 1984, the first practice (Arrow Animal Hospital) was opened, providing high quality small animal, general practice veterinary care to patients in the Glendale, Arizona area 7 days a week. Today, that one practice has grown to a family of 21 cooperative hospitals, all independently owned, operated, and built upon the principal of outstanding care and solid core values. What are we looking for? Honestly, we are looking for those like us. New graduates interested in making a difference in the veterinary community and nurturing the human animal bond. As a new graduate we want you to know that we've been there! We remember the unique needs a new graduate has and we embrace that and are excited to be a part of your development and career. For many, your first position as a veterinarian shapes much of how you will practice medicine for the rest of your career. We want to provide you the mentorship and coaching

to set you up in your career to be as strong as you can be! What can we offer? Coming fresh out of school, many new graduates have 3 major areas of focus when picking where they want to start their career. Those are; Training (Will I just be thrown out there on my own?!), Benefits and Pay (Can I afford these student loan payments now!?), and Work/Life Balance (I just graduated, am I going to get to have a life now?!) For 2019 Graduates, Full-Time for a new graduate is 9 days in a two-week period. Salary is \$91,000/yr., two weeks, 9 days of paid vacation. Alternately, a new graduate working 8 days in a two-week period. Salary is \$81,000/yr., 8 days of paid vacation. **For more information about our practice, please visit www.azpetvet.com. To apply, please email your resume to HireMe@azpetvet.com.**
