

Good Morning!

This is your edition of the UF CVM Career Emails sent on the first and third Friday of every month. We highly suggest keeping a lookout and read through all the postings in each email since there are no repeat postings.

This ***Tip of the Email*** is that you now have a full-time Career Counselor! As of today, I am full-time in the Office for Academic and Student Affairs in the UF College of Veterinary Medicine. My appointment availability has greatly increased – [schedule your meeting](#) now to discuss your career.

Best,

Katelyn

DVM PART TIME/RELIEF

Relief Veterinarian - Jacksonville, FL; City of Jacksonville's Animal Care and Protective Services Division

The City of Jacksonville's Animal Care and Protective Services Division (ACPS) is seeking INFORMATION ONLY responses to this Request for Information (RFI) from qualified Doctors of Veterinary Medicine to supply to ACPS veterinarian services as needed for periodic relief of staff and as otherwise needed. **For more information, please visit <http://www.coj.net/departments/neighborhoods/animal-care---protective-services.aspx>. To apply, please visit <http://www2.coj.net/RFP/Bids/BidDEFAULT.asp>.**

Wellness Veterinarian - Lakeland, FL; TLC PetSnip, Inc

TLC PetSnip is the only non-profit Spay/Neuter and Wellness clinic in Polk County, FL. We have been an established Humane Alliance mentored clinic for 5 years and also have a second location in Seffner, FL. We are looking for another full-time or part-time veterinarian to run our Wellness appointments at our Lakeland location. We have an amazing team of technicians and support staff and are making a huge difference in our community. In just 5 years, we have performed over 26,000 successful spay/neuters and average over 200 wellness appointments between both locations weekly. We are looking for a highly-motivated and community driven veterinarian who wants to help TLC PetSnip make a difference in the lives of pets. **For more information about us, please visit www.tlcpetsnip.org. To apply, please email your resume to ExDirector@tlcpetsnip.org.**

DVM FULL TIME

Emergency and Intensive Care Veterinarian - Fayetteville, GA; South Atlanta Veterinary Emergency & Specialty Center

An amazing, challenging, inspiring, and fulfilling career opportunity is available for you! The South Atlanta Veterinary Emergency and Specialty (SAVES) Center is seeking full-time Emergency and Intensive Care Veterinarians to join our team. We are searching for highly motivated and confident professionals with excellent communication skills. We exist to provide exceptional medical, surgical, specialty, and emergency critical care services with compassion and integrity. This is a significant opportunity, and wonderful place to live and work with great culture and recreational activities. **For more information on this position, please email a resume and cover letter to <mailto:dbrogdon@savescenter.com> or call Dr. Dan Brogdon at 678-727-6343.**

Emergency/Critical Care Clinician - S. Fort Pierce, FL; Animal Emergency and Referral Center

24/7/365 Emergency & Referral Practice. 32+ years in service wonderful team of specialists, emergency doctors & technicians. Daily rounds with all doctors and staff, learning/teaching opportunities. Exciting working environment with fantastic benefits. Our Emergency Clinicians work day rotations as well as night rotations. During their day rotations, they experience tremendous one-on-one interaction with our specialists. New graduates will have the opportunity for orientation and training. Our morning rounds are a unique learning opportunity. All specialists and technicians gather together for "hands-on" rounds over all hospitalized patients 7 days a week. No general practice here. 30+ year referral base. 24-hour critical care doctor support and coverage / consultation with other specialists can make your practice more rewarding. We have incredible critical care diagnostic and therapeutic equipment, including our full size hyperbaric oxygen therapy chamber, Vimago high definition, low radiation CT / Fluoro / DR Imaging, AIP MRI, Real-Time Live 3D ultrasound with contrast capability, Artemis NRT high intensity laser therapy, Oasis Underwater Treadmill, invasive blood pressure monitoring, Newport Breeze ventilator and more. **For more information, please visit www.animalemergency.net. To apply, please email drlyman@animalemergency.net or fax 772-466-0206.**

Schedule, benefits, and compensation negotiable. **For more information about our practice, please visit tranimalhospital.com. To apply, please mail your resume to cdqdvms@tranimalhospital.com.**

Shelter Veterinarian - Tampa, Florida; Hillsborough County Pet Resource Center

Description: Interested in working in a progressive county shelter with great staff and state-of-the-art equipment in sunny Tampa, Florida? The Hillsborough County Pet Resource Center is a high volume, open admission county shelter with an 85 - 90% live release rate. We are looking for a Veterinarian to work with three other veterinarians and 15 veterinary technicians. The Veterinarians report to the Veterinary Medical Director and are responsible for the care of sick or injured animals brought in to the shelter. The veterinarian examines sick and injured animals and develops treatment plans; oversees the euthanasia of sick and injured animals if necessary; performs surgery; examines, treats and oversees the health of investigation animals; produces written reports, and testifies in court as to documented instances of neglect and/or cruelty. Additional responsibilities include vaccination for rabies or microchipping animals as necessary, providing internal and external customer service, employee training, and educating the public on responsible pet care. The position frequently includes working weekends, evenings, holidays, and split schedules based on division needs. Essential Functions: Examining and treating sick or injured animals; Performing spay/neuter and other surgeries on adoption and foster animals; Examining and treating investigation animals to include completion of medical reports; Overseeing the health of all shelter and foster animals, vaccinating and treating as needed; Providing internal and external customer service; Researching new products and techniques to provide best practices in animal care; Testifying in court as needed; Provides assistance to the Veterinary Medical Director, and Agency Director, as needed for important activities; Provides necessary education/training for personnel in order to maintain and upgrade skill levels; Other Duties as Assigned. The ideal candidate would have the following: Skills: ability to perform high volume spay/neuter surgery; ability to perform other surgeries including but not limited to cystotomy, mass removal, entropion repair, cherry eye repair, enucleation, amputation, FHO; ability to perform and remain calm under stressful conditions; ability to prioritize, multitask, and triage; ability to work well with others.

Knowledge: infectious disease; shelter medicine; aseptic technique; standards of care in veterinary medicine; high volume surgery techniques. Experience: two years of practicing as a veterinarian, or DVM degree with a certificate in shelter medicine or extensive course work or continuing education in shelter medicine. **For more information, contact Lisa Centonze, DVM, Veterinary Medical Director, centonzel@hillsboroughcounty.org. Interested parties can apply on-line at the following site: <http://www.jobaps.com/Hillsborough/>.**

Full-Time Veterinarian - Oviedo, Florida; Oviedo Veterinary Care and Emergency

Oviedo Veterinary Care and Emergency is seeking a full-time or part-time veterinarian to work at our small animal practice located in Oviedo, FL. We are in a busy and rapidly growing part of Seminole County, in the heart of central Florida. We are passionate about making our practice an integral part of our community by providing high-quality veterinary care for our patients, and exceptional customer service for our clients. We are looking for someone equally passionate and motivated to join our progressive, forward-thinking team. We offer continuous patient care with conveniently extended hours of operation and weekend service, allowing for flexible schedules! We offer a fully equipped in-house lab, digital radiography, a comprehensive surgical suite, and cloud-based software with digital record-keeping. Potential applicants should be comfortable handling critical cases and emergencies, as well as emphasize the importance of preventative care. New graduates welcome to apply! Must be licensed in Florida. **For more information or to apply, please email info@oviedovetcare.com or call 407-434-0020.**

Spay-Neuter Veterinarian - Jacksonville, Florida; Jacksonville Humane Society

JHS has a position open for a spay/neuter veterinarian. The veterinarian provides high-quality medical and surgical care to clients of the JHS Veterinary Services Department. He/she delivers and ensures humane medical treatment of all animals. Essential Duties and Responsibilities: Performs high volume spay and neuter surgeries (30-35/day); Maintains records properly; Promotes a positive attitude in the workplace; Promotes humane attitudes towards the care and treatment of animals through example; Ensures appropriate medication is administered by veterinary staff as directed; Advises, performs, or oversees euthanasia; Provides on-call services for emergencies; Promotes sterilization of owned animals in an effort to reduce pet overpopulation; Maintains appropriate licensing and completes required continuing education courses; Adheres to state regulations and organizational protocol regarding animal care, treatment, advocacy, and the mission of JHS; Takes immediate action to address any safety concern or noncompliance of safety rules that could put an employee, volunteer, client, animal, or the organization at risk. Qualifications: Current license in the State of Florida to practice veterinary medicine; Must be able to deliver high quality veterinary care in a fast-paced, high-volume environment; A minimum of two years clinic/practice experience preferred; Maintenance of malpractice insurance; Effective written and verbal communication skills; Excellent customer service skills with the ability to be patient, courteous, and work well under stressful conditions ; Proven organizational, time management, and planning skills required; Ability to communicate skillfully and effectively with a culturally diverse staff, volunteers, and community in a professional, pleasant, and respectful manner at all times; Maturity with ability to use good

judgment and display a professional manner. **For more information, please visit jaxhumane.org/jobs. To apply, please email resume to hr@jaxhumane.org.**

Veterinarian - Miami, FL; West Kendall Animal Hospital

West Kendall Animal Hospital is seeking a full-time veterinarian to join our independent single vet practice. We've been established over 30 years in Southwest Miami-Dade with an excellent reputation, and our recent remodel and subsequent growth has created an opportunity for expansion of our practice. We have a high support-staff-to-veterinarian ratio. Our practice sees predominantly companion animals including birds and exotics. We have the skills and experience to handle complex medical cases internally, but we also have many nearby highly-skilled Board-certified specialists that we can refer to when necessary. We welcome new graduates who are seeking mentorship as well as experienced veterinarians who could be looking for a future equity opportunity. **For more information, please visit our job posting at avma.org. For consideration please submit your CV and a cover letter to admin@westkendallanimalhospital.com.**

Associate Veterinarian - Gillette, WY; Red Hills Veterinary Hospital

Quickly growing and highly reputable AAHA accredited animal clinic is searching for a fourth full-time associate veterinarian to join our highly trained team in beautiful Gillette, Wyoming. Our practice encompasses small and large animals, as well as furred and feathered exotic pets. New associate may choose to focus on one or all of the above. Practice cutting edge, high standard medicine with our full Idexx laboratory, Aesculight surgical laser, Companion Therapy laser, digital radiography (including dental), ultrasound, orthopedic surgical equipment, and the most current medical treatments. Exceptional and adequate support staff for each associate. There are no on-call hours, a four day work week, one evening shift per week and one half-day weekend shift per month. Experienced veterinarians or new graduates are welcomed to enjoy mentorship and continued bi-monthly training. Salary is commensurate with experience and includes medical, dental, vision and liability insurance, CE budget, paid vacation, uniforms, AVMA membership, and WY state/pharmacy and DEA licensing. Relocation assistance is an additional perk. **To apply, please email your resume and cover letter to drv@redhillsvet.com.**
