

Good Morning & Happy New Year!

This is your first 2019 edition of the UF CVM Career Emails sent on the first and third Friday of every month. We highly suggest keeping a lookout and read through all the postings in each email since there are no repeat postings.

This ***Tip of the Email*** is a great resource - [our monthly newsletters](#), they each have great articles about varied 'tough' career topics. Check out our [January Issue](#) for advice on making tough decisions (applicable to all areas of life😊).

Best,
Katelyn

DVM FULL TIME

Medical Director– Cape Coral, FL; Animal ER of SW FL

The Animal ER of Southwest Florida: a growing small animal emergency-only practice in beautiful Cape Coral, is searching for a long-term team member who is interested in joining our growing team. The Medical Director will oversee other veterinarians, market to local referring veterinarians with the practice manager, work as ER doctor 3 shifts a week and must be able to obtain DEA license for the clinic. Enjoy living in sunshine year round with waterways and beaches in close proximity in one of the fastest growing cities in the nation. Our practice was established in 2006 and has built great relationships with surrounding veterinarians; building trust and acting as an extension of their practice for our referring veterinarians. Sign-on bonus and/or relocation assistance for the right candidate and there is also the possibility of future buy-in for the right team member. Salary commensurate with experience, paid continuing education and licenses as well as a stipend for health care. **Please include resume and CV to aerofswfl@yahoo.com.**

Board Certified Veterinary Surgeon– Cape Coral, FL; Animal ER of SW FL

Would you like to be part of an Exceptional Team, with a State-Of-The-Art facility that provides an Amazing Working Environment and Diverse Patient Load? Join our team and help us set the Area's Standard of Veterinary Care! Animal ER of SW Florida has opportunities available for a Board Certified Veterinary Surgeon, or a residency trained veterinary surgeon waiting to take the certification exam, to join our soon to be 24-hour emergency/critical care practice and help establish our specialty referral hospital in Cape Coral, Florida.

Cape Coral Florida, in Lee County, is 50 miles north of Naples, FL and 125 miles south of Tampa, FL on the Gulf of Mexico. Cape Coral is the largest city between Tampa and Miami and is known as a "Waterfront Wonderland"; with over 400 miles of navigable waterways, Cape Coral has more miles of canals than any other city in the world. It is a great place to work, live and raise a family. With a diverse population of hard working and friendly people, and the choice of an urban, suburban or rural lifestyle, South West Florida is a terrific place to call home. When we opened in 2006, our goal was to provide excellent medical care at an affordable cost. Today,

we still stick to that. In our clinic, it is about your pet. We only hire the best so they can in return, provide the best care for your pet. We offer a dedicated team of veterinary technicians and assistants as well as emergency doctors to assist. We also have in-house lab machines (CBC, chemistry, electrolyte, and coagulation monitors), digital radiography, ultrasound and critical care staff to support your patient needs. We offer excellent salary and benefits, including relocation assistance, and amazing work environment and work-life balance. Ownership and or buy in potential for the right candidate. Job Responsibilities include the following. Establish a good rapport with referring veterinarians, including: timely professional and respectful communication; assistance in their professional growth and education through recommendations and interaction on referred and shared cases; ongoing development of a positive and professional working relationship; participation in Continuing Education involving the local referral community. Assist in the development and training of the paraprofessional team to ensure the delivery of the highest quality care and exceptional client service. Assist with marketing the services of the specialty practice through a variety of outreach programs, some of which include: making hospital visits to referring veterinarians, assisting with local CE meetings, answering all calls from referring veterinarians promptly, helping with production of hospital newsletters and case reports. Positively represent the hospital in the professional community and to the general public. Skills and Qualifications include the following. A Doctor of Veterinary Medicine (DVM) or Veterinary Medical Doctor (VMD) degree, or equivalent, from an accredited university. DACVS (or eligible) Ability to become licensed to practice in the state of Florida. Professional comportment and appearance, with excellent interpersonal skills and a positive, friendly attitude. Additional Salary Information: Commensurate with experience. **Interested applicants can email aerofswfl@yahoo.com**
