

Good Morning!

This is the new edition of the UF CVM Career Emails sent on the first and third Friday of every month. It looks like the email did not send Friday, but here it is today! We highly suggest keeping a lookout and read through all the postings in each email since there are no repeat postings.

This **\*Tip of the Email\*** is a great resource on where to find positions that you may be interested in. Check out this [VetCAN tip sheet](#) for various posting locations.

Best,

**DVM Associate-** St. Augustine, FL; St. Johns Veterinary Hospital and Cat Clinic

We are located near the historic town of St. Augustine and the beautiful beaches and inter-coastal waterway. St. Johns Veterinary Hospital and Cat Clinic has a reputation as a top small animal hospital in the Northeast Florida region. An enthusiastic, compassionate staff. Weekly doctors rounds that emphasize academics and a collegiate approach to medicine and patient care. A beautiful, modern facility. A supportive management staff that handles change well. The wherewithal to support doctor's dreams. Our hospital may be the place for you if want to: provide the latest, up to date medicine in a supportive, collegiate atmosphere. Bond clients by going the extra mile. Be a member of the team, share cases and share knowledge. Accept that no one is perfect and can laugh at the end of a hard day at the quote by a local St. Augustine musician experience is what you get, when you didn't get what you wanted. You are a great candidate to join us if you have: an interest in ultrasound, endoscopic imaging or acupuncture. High motivation as a new graduate and desire to be mentored and work hard to get a good start in practice. The personality to provide second opinions for your clients by discussing cases with other associates. Assiduous attention to detail. A professional demeanor with clients and team members and can maintain a positive attitude to help the hospital grow and improve. The perks of being our associate veterinarian: flexible work week schedules, excellent work life balance, and local emergency hospital. Contact us if you can picture yourself: strolling Historic St. George Street and the Old City Bayfront, walking the white sand beaches at sunrise, and enjoying the downtown festivals, the well-known musical acts at the amphitheater, biking on the St. Augustine to Palatka State Trail or paddle boarding at Salt run. **DVM Associate-** Tallahassee, FL; Bradford Animal Hospital

Bradfordville Animal Hospital is looking for a full-time associate. We are a thriving AAHA accredited full-service small animal hospital in the Tallahassee, FL area with an emphasis on progressive medicine, diagnostics and surgery. We enjoy a small-town atmosphere and feel strongly about fostering our client and patient relationships. We are currently operating as a 4-doctor practice but are growing and in need of another associate veterinarian. We enjoy practicing and helping each other professionally and would expect the same in a new associate. There is an excellent opportunity for mentorship. We have a phenomenal support staff that allows us to perform our veterinary duties. We just completed a major renovation/update to our buildings allowing us to expand and practice even better medicine. We have designated dog only and cat only exam rooms and also provide boarding and grooming services. Advanced soft tissue and orthopedic surgeries are performed regularly. There is excellent opportunity for a veterinarian interested in advancing their personal skill to gain valuable knowledge and experience in soft tissue and orthopedic surgeries as well as in complex medical cases. Doctors work a 4-day work week and rotate Saturdays. We rotate surgery/hospital days and exam room/appointment days to allow the doctors to better focus on their patients. Our clinic is well-equipped with Sound DR, a new Sound ultrasound unit, full in-house diagnostics, dental suite with digital dental x-ray and high-speed hand

pieces, radiocautery surgical unit, Surgivet monitoring, pin and bone plate surgery sets. We utilize electronic medical records on Avimark software. Salary is commensurate with experience for up to the first year, then we pay a percentage of gross production. A competent veterinarian can easily make \$100K per year. Benefits include health and dental insurance, vacation time, continuing education allowance, retirement plan with matching opportunity, and local and state association dues. Tallahassee is the capital of Florida and is in an ideal geographic location. Situated in the rolling hills of northern Florida, Tallahassee is only 45 minutes from the Gulf of Mexico and offers a variety of outdoor activities including boating, fishing, canoeing, mountain biking, hiking, and running. We are home to three universities, have a young and vibrant population and a warm southern charm.
