

Good Afternoon!

This is new edition of the UF CVM Career Emails sent on the first and third Friday of every month. We highly suggest keeping a lookout and read through all the postings in this edition since there are no repeat postings.

This ***Tip of the Email*** is to register for the VetCAN Virtual Career Fair. [Register now](#) to access employer information and upload your resume. This is a *one-of-a-kind* opportunity to find externships, summer jobs, and post-graduate positions. Check out the list of employers participating in the career fair can be found [here](#). The virtual fair is on Sunday 3/31/19 from 1pm-4pm EST. You do NOT have to be available during the career fair times, you can simply upload your information and express 'interest' in organizations that appeal to you. This event is COMPLETELY FREE. The fair is open to all students and alumni from AVMA accredited veterinary schools.

Best,
Katelyn

DVM INTERNSHIP

Internship- Tallahassee, FL; Capital Veterinary Specialists

It's not too late to complete an exceptional internship following veterinary school graduation! Post-match internship opportunity available at Capital Veterinary Specialists Tallahassee. Due to unexpected circumstances with the match program we have been left with two open rotating internship positions for the 2019-2020 year. Capital Veterinary Specialists is a multidisciplinary specialty hospital located in Tallahassee Florida offering a one-year rotating internship to motivated first year veterinarians. Spend a year rotating through internal medicine, surgery, ophthalmology, dermatology, urgent care and general practice rotations. Our internship program will prepare you for the rest of your career and is geared towards clinical training as well as preparation for specialty internship/ residency with a structured training and educational schedule. Overnight emergency responsibility is NOT a part of our program. Interns will work directly with boarded specialists developing knowledge and skills in all aspect of advanced medicine, surgery and imaging expanding the foundation initiated in veterinary school. Our program focuses on training in the fields of medicine, surgery, cardiology, neurology, ophthalmology and dermatology. Interns will work daily with advanced imaging modalities including CT, MRI, ultrasound, fluoroscopy, endoscopy, radiology and more. It is a truly exceptional opportunity for first year veterinarians to build a foundation for a meaningful long lasting career in veterinary medicine with a team of compassionate and knowledgeable expert mentors. **For more information visit our website www.capvetspecialists.com and call 352-258-5891 or email Dr. Kevin A. Drygas, DVM, DACVS kevind33@aol.com.**

Equine Internship- Mocksville, NC; Davie County Large Animal Hospital

Davie County Large Animal Hospital internship program gives first year veterinarians the opportunity to gain knowledge and hands-on skills working in a fast paced, fully equipped, state-of-the-art facility with an abundant and diverse caseload of equine patients. This demanding program allows the intern to gain experience in a wide array of veterinary services such as Equine Surgery & Anesthesia, Sports Medicine, Reproduction, Rehabilitation, Acupuncture and Podiatry as well as General Healthcare and Emergency Medicine. This program will sharpen diagnostic, therapeutic, and communication skills of the recent graduate. Interns will assist clinicians in the hospital and/or on ambulatory calls every day. After a 60-day training/probation period, the intern may be given primary responsibility over ambulatory calls. The Intern is also responsible for night/weekend care of any hospitalized patients and assisting the surgeon

on-call with in-house emergencies. One publication either a case report or retrospective study is required to be completed during the year. Application Requirements: a one page, letter of intent stating your experience, professional interests and how the internship program will benefit your career, curriculum vitae, 3 letters of recommendation, and a valid NC veterinary license by July 1st. Benefits: salary \$25,000.00 per year, AVMA Membership Dues for 1 year, AVMA Professional Liability Coverage for 1 year, NC Veterinary License fee for 1 year (not application or exam fees), after hours emergency fee (if primary), and 1-week paid vacation. **Please email your application package to Lisa H. Veterinarian- Willington, KS; Wellington Humane Society

Do you have an interest in Shelter Medicine? Do you want to have the ability to run your own private practice with built in clientele? Looking for an opportunity to partner with other veterinarians to create

a buzzing clinic with huge possibilities? Then we have an opportunity for YOU! The Wellington Humane Society serving Sumner County is located in Wellington, KS. In May of 2019, we are opening our brand new, state of the art 3 million dollar complex with an attached Veterinary clinic. The 1500 sqft clinic comes fully furnished and ready for one or more vets to lease. This clinic comes with built in clientele as it would be utilized as the on site shelter veterinarian for spay/neuter, vaccinations, shelter medicine, and more! Opportunities abound with the possibility for grant driven TNR, low cost spay/neuter for low income owners, and so much more. Ability to offer on site retail of prescription foods, flea and tick preventative, and more with increased foot traffic from the brand new dog parks being built into this complex. A beneficial partnership for the veterinarians, the humane society, and the entire community is our goal! There is also the need for large animal veterinarians in our rural community, so a small animal or mixed animal veterinarian could EASILY partner with a large animal vet to split the lease and offer another revenue stream for the clinic! There is an additional 12 acres of land nearby that is owned by the Humane Society. We have the goal of developing it for a large animal facility and a large animal veterinarian would be welcomed to utilize this land! What we have to offer: a beautiful 1500 sqft Veterinary Clinic: surgery suite: 146 sqft, prep/packs: 616 sqft, waiting: 147 sqft, office: 161 sqft, canine pre/post: 113 sqft; balance is restroom, circulation, janitorial, etc. Included: surgery table and light, anesthesia machine, O2 Concentrator, digital x-ray, office furniture, wet table, cabinetry, exam table, rolling stool and furnishings, cage banks for canine and feline, waiting room furniture, scale, special HEPA filters in HVAC. Veterinarian Responsibilities: reasonable rent negotiated with Wellington Humane Society, base rent to be raised in increments over 6 months to allow customer base to grow, utilities for the veterinary space Upkeep on filters, equipment, and general cleanliness Small veterinary tools and equipment, blood testing equipment, microscope, autoclave, surgery linens, medications, signage (space provided), money drawer, safe, etc. Wellington is a fantastic small town community with lots of amenities! In town there is a gym, pool, numerous restaurants, Walmart, Dollar Tree, Dollar General, golf club, Dillon's, several gas stations, plus more! Not enough in town? We are located just 35 miles to the heart of downtown Wichita, so you will never be far from large scale events, tons of shopping, and great restaurants! Are you interested in becoming a part of this vibrant, pet friendly community? Ready to have the opportunity to grow your own business alongside a passionate team of animal lovers? Then don't hesitate to contact us today! We are looking forward to hearing from you! **Interested candidates please contact wellingtonhumanesociety494@yahoo.com**
