DVM FULL TIME

Associate Veterinarian- Palm Bay, FL; Malabar Country Veterinary Clinic

Malabar Country Veterinary Clinic in Palm Bay, Florida is currently looking for a full time associate. New graduates are encouraged, we offer a wonderful mentoring opportunity. Our hospital is located in east central Florida, just minutes from beautiful beaches, the Kennedy Space Center, and numerous theme parks. We are a rapidly growing, fast paced small animal clinic seeing primarily dogs and cats, although we have been known to neuter the occasional rabbit, pig, or goat. If your interest is there, the opportunity to learn is here! We are a full service hospital and have state of the art equipment including digital DR radiography, ultrasound, in-house blood analyzers, surgical monitoring equipment, and an ultrasonic dental machine. We provide preventative and advanced medical care, including hospitalization and surgical remedies when needed. Due to the fact that we are in a semi-rural area, we have the opportunity to diagnose and treat a variety of interesting medical cases. We also have a knowledgeable, hard working support staff with very little turnover. Malabar Country Vet is committed to providing affordable, high quality care for pets which in turn enriches the lives of our neighbors. In an effort to give back to our community, we currently offer discounts to veterans, police officers, and fire fighters. We are seeking a candidate who is compassionate, with a good sense of humor; someone who is looking for a busy, fun loving, low stress atmosphere in which to learn and grow within the veterinary field. This position entails a full time schedule with every other Saturday off. Our office hours are 8:30am-5:30pm Monday through Friday, and 8:30am-1:00pm on Saturday, we are closed on Sundays. We would begin with an agreed upon annual salary. Production bonuses would be up for negotiation at your one year anniversary. Benefits include: competitive salary, health and supplemental insurance, 401k with up to a 4% match, paid vacation, licensing fees, continuing education reimbursement, veterinary association fees, and professional liability insurance reimbursement. Relocation and signing

bonuses are also available. **Please submit a CV or resume to Marshall Kolmel, Hospital Administrator, at Marshallk@malabarcountryvet.com.**

Associate Veterinarian- Port Richey, FL; Bayonet Point Animal Clinic

Bayonet Point Animal Clinic is looking for an associate veterinarian to join their AAHA accredited practice that has been around since 1976. Our mission is to provide superior quality veterinary medical and surgical care for our clients. Our facility is continually evolving and changing in an attempt to provide you, the client and your pets with state-of-the-art care. We specialize in all small companion animals and exotics. From wellness exams to surgery, we provide an extensive list of services. We are located in a small town near the Gulf of Mexico, about an hour away from Tampa and St. Petersburg. Enjoy gorgeous beaches, historic landmarks, and the regions primitive natural beauty. Job

Responsibilities: An associate veterinarian who provides the best medicine and the highest level of customer service available. Build rapport with clients and team members and can clearly communicate your ideas with the clients and team members. Ability to perform physical examinations, diagnostic, advanced medical, and procedures that deliver the highest quality care while minimizing patient stress and discomfort. Assist in the development of the team to ensure delivery of the highest quality of care and exceptional client service. Other duties as requested. **Interested candidates please contact lily.truong@petpartnersusa.com**

Associate Veterinarian- Lutz, FL; Cypress Creek Animal Hospital

Cypress Creek Animal Hospital is currently seeking a friendly and personable full-time Veterinarian to join our team! We are located just outside of the Tampa Florida area and are also in close proximity to Orlando with several nearby attractions! We currently have two practicing doctors at our location and are equipped with digital x-ray, digital dental x-ray and have an Idexx lab suite in the hospital. Our ideal candidate will have three years of experience, have their USDA Certificate, have a great interest in surgeries, client communication and understands the small animal field. The selected individual will be responsible for a majority of the hospital's surgeries and will be working very closely with the team of doctors. We also offer a great team atmosphere, with a beautiful surrounding community. If you're a dedicated individual who strives with client communication and understands the small animal field, look no further and apply today! **Interested candidates please contact lily.truong@petpartnersusa.com**

Associate Veterinarian- Deland, FL; Deland Animal Hospital

Over the last 50 years, DeLand Animal Hospital has evolved from a small town practice into a state-of-the-art facility providing routine care, urgent care, and emergency services! Our doctors and staff are here for our clients and their pets 24 hours a day, seven days a week, 365 days a year! DeLand Animal Hospital strives to make our patients and clients feel comfortable while providing the best care possible. Our team consists of highly experienced and compassionate veterinary professionals. We offer various services, including routine preventative care, internal medicine, soft tissue, and orthopedic surgeries, oncology and emergency/critical care services. Our 7,000 square foot modern facility includes a CT scanner, digital radiology, dental radiology, ultrasound, endoscopy, laser surgery, and laser therapy. We treat a variety of animals including dogs, birds, pot-bellied pigs, exotics, and small mammals such as guinea pigs, ferrets, rabbits, mice, rats and many more! We are seeking talented and driven Associate Veterinarians for daytime, overnight, and ER shifts. Our compensation and benefits are extremely competitive. **Interested candidates please contact lily.truong@petpartnersusa.com**

Associate Veterinarian- Lakeland, FL; All Creatures Animal Clinic

All Creatures Animal Clinic, located in Lakeland, Florida, believes in providing excellent patient care in a family friendly work environment. We are a busy 5 doctor AAHA accredited and certified feline friendly hospital seeking to add another full time associated. Our well-equipped facility has digital radiographs, ultrasound, endoscopy, and a state of the art surgery suite. We also offer hydrotherapy, cold laser, chiropractic treatment, and acupuncture. Salary commensurate with experience. We offer excellent team support, a good work life balance, competitive wages and excellent benefits which include CE allowance, 401k, and health insurance.

Submit your resume to kara@allcreaturesfl.com.

Associate veterinarian – Jacksonville, FL; Mandarin Veterinary Clinic

We are an AAHA hospital for 35 years and are fully loaded with all the latest equipment including a 30W laser, digital dental radiography with high speed scaling etc. etc....our practice is in an upper middle class neighborhood and clients here are able and willing to do the best for their pets....would also be interested in a veterinarian that would consider a buy-out. **Email** drjones@mandarinvet.com or call **9042688880**.

Emergency Doctor – Pensacola, FL; Veterinary Emergency Referral Center

The Veterinary Emergency Referral Center is looking for motivated doctors to join our highly trained team. Previous experience in emergency medicine is not required. Our practice is limited to emergency and referrals only. We offer a highly competitive salary and benefits package and most importantly a mentorship program. Our mentorship program is structured to give our associates one on one exposure with our specialists and professional emergency doctors. Once completed, the candidate will be proficient in medicine, surgery, advanced diagnostic imaging and client communication skills. We are confident that our mentorship program improves our patient outcomes, client experience and creates better, well rounded veterinarians. We are not a corporate owned hospital and quality is created by our strong team of doctors, technicians and management. We also offer a support system that enables our emergency doctors access to specialists and other emergency doctors 24 hours a day. Currently we have board certified specialists in emergency and critical care, surgery, neurology and dermatology. Our emergency doctors are scheduled an average of three shift per week. Daytime and nighttime shift are available. On site diagnostics include CT, MRI, endoscopy, digital radiography, ultrasonography, fluoroscopy and a veterinary reference lab. We also have an onsite voluntary blood banking program. The Veterinary Emergency Referral Center provides a supportive work environment, structured mentorship program with a competitive salary and benefits package. We are located on Florida's Emerald Coast home to the world's most beautiful beaches. Pensacola has a thriving downtown community and offers an excellent quality of life. **Interested applicants should contact Dr. Bordelon at** dbordelon@FLERVET.com or (850) 477-3914.

Small Animal Emergency Veterinarian – Everett, WA; Diamond Veterinary Hospital

Emergency Night Shift Veterinarian. Exciting Opportunity! Does the idea of having long stretches of days off sound appealing? How about working with awesome and educated assistants and technicians? Do you thrive when interesting, non-preventative cases are presented to you? If you answered YES to these questions, then working for Diamond Veterinary Hospital is the place for you! We are looking for a small animal veterinarian to work our emergency night shifts. We are a privately-owned, busy AAHA-accredited hospital that provides general practice care during the day and emergency services 24-hours

per day. We have a fabulous staff and high-tech equipment. Everett, WA is a port town located within easy driving distance to Seattle, National Forests, and mountains. Whether you prefer the city nightlife, boating around the bay, or a weekend camping trip, Everett provides easy access. Local activities include kiteboarding, crabbing, fishing, a local minor league baseball team and a western hockey league team. There are skiing opportunities and other snow sports around an hour away. The housing in Everett and the surrounding area is affordable, and we have some great local restaurants. Generous compensation and benefits, including health/vision/dental/life insurance, IRA with matching, paid time off, CE allowance, and more! **To apply, please submit a cover letter and resume to akoellner@diamondvet.com or visit www.diamondvet.com**
