

## Hello Students & Alumni!

This is your last 2019 edition of the UF CVM Career Job Postings sent on the first and third Friday of every month. Unless an employer re-submits their position, these postings only appear in one email, so make sure to read each email to stay up-to-date on available positions! If you missed an email, don't worry; you can access the archive of past email postings at

<https://education.vetmed.ufl.edu/student-affairs/career-resources/monthly-newsletters/>.

This **\*Tip of the Email\*** is to enjoy your winter break and don't forget to [register for VMX](#) coming up next month. Veterinary Students are FREE to register and can attend [CE/Speakers](#) (Temple Grandin, Dani McVety and many others!), [entertainment](#) (you can see Terry Crews, Howie Mandel and Jake Owen!) and many other sessions from Saturday 1/18 - Wednesday 1/22. VMX (formerly NAVC) is one of the largest veterinary conferences in the nation right here in Orlando, FL - not to mention the robust exhibit hall with plenty of SWAG!

**DVM FULL TIME**

**Emergency Veterinarian – Flagler Animal Hospital, Flagler Beach, FL**

Flagler Animal Hospital is located on the Atlantic Coast in beautiful Flagler Beach, Florida, and has been providing exceptional pet care in the Flagler community since 1989. Our hospital is the only 24 hour emergency facility in all of Flagler County. Come live where most people vacation. Quality of life and flexibility is one of our best perks! We are seeking two Emergency Veterinarians (one night-

shift and one day-shift) for our ultra-modern, busy 24/7/365 facility. We have had great success with new and recent graduates in this position. We offer a mentorship program with several of our experienced doctors and have an orientation period for learning our protocols. The emergency case load for both days and overnights is steady yet manageable. Our technician team is well trained and well leveraged to assist with any presenting emergency. Our doctors are known for their helpfulness and mentorship! Be part of a team that has developed a reputation for its outstanding professionalism, exceptional client service and progressive, quality medicine. Our team is like a family! And, we like to have fun too! We strive to achieve a work-life balance for our entire staff. The overnight ER position allows you to work four 12 hour shifts on and four off alternating each week. The dayshift ER position allows for time off every other weekend. We provide a competitive salary and a benefits package that includes health insurance, continuing education, professional liability coverage, required professional dues and licensing, uniforms, personal pet care discounts and much more. **Apply online -**

### **Emergency/Critical Care Veterinarian - Huntsville, AL; Huntsville Veterinary Specialists and Emergency**

Huntsville Veterinary Specialists & Emergency, Inc. is seeking a full-time emergency doctor to join our rapidly growing hospital. We currently have two board certified surgeons, a board-certified neurologist, two full-time and three part-time emergency doctors. We are also actively seeking internal medicine specialists with the goal of becoming Huntsville's first and only multi-specialty hospital. We also have a 16-slice CT, 1.5T Siemens MRI, Ultrasound, and Flexible scope on site. Our emergency service is currently operational Monday through Thursday from 6:00 pm to 7:00 am and Friday starting at 6:00 pm through Monday until 7:00 am. We are also open 24 hours a day for all major holidays. Huntsville is one of the most dynamic metropolitan areas in the country. Forbes named Huntsville one of the top 20 leading metropolitans for business; Kiplinger's Personal Finance named Huntsville one of the country's top 10 cities for raising families; and the U.S. Census 2010 showed Huntsville to be Alabama's second largest metropolitan area. With the state's longest-running symphony, Broadway musicals and stage acts, Huntsville draws audiences from a broad region. People from throughout the world visit area historic districts, museums and attractions including the U.S. Space & Rocket Center and Space Camp. Sports enthusiasts enjoy professional minor league baseball and football, college and professional hockey, plus several outdoor activities. Mountains, lakes, woodlands, and the Tennessee River accommodate numerous recreational activities. A temperate climate enhances the season for outdoor sports, including world-class golf, hiking, biking, and fishing. We offer a competitive compensation and an excellent benefits package, including health insurance, uniform allowance, 401K retirement plan, and discretionary funds for continuing education. We are eager to welcome an additional emergency doctor to our team of two full-time doctors and four part-time doctors currently on staff. **Interested candidates may feel free to contact Dr. Geoffrey Harriman at [geoff.harriman@hvsevet.com](mailto:geoff.harriman@hvsevet.com) or at (256) 715-8389. **Veterinarian- Best Friends and Gateway- Sign-On Bonus Offered! - Statesboro, GA; Southern Veterinary Partners**

We invite you to our Big Little town, full of college night light life and quiet horse farms. Statesboro GA is tucked away in the Southeast of GA, 1½ hours from the beautiful Tybee Island beaches of GA's coastline. Our hospital's growth is a result of our town's expansion; we are adding new waterfronts, an agriculture equestrian center, a blue mile trail from campus to downtown, along with a remarkable soccer stadium. Our hospital is preparing for your arrival and in May 2019, on top of our state of the art equipment, we purchased new dental equipment and ultrasound machines to assist with your patient care. The externs that have come through recently asked if we could hold the opening for them next year, but our clients are unable to wait much longer. We have 6 RVTs, low staff turnover, a strong client base, and room to grow. The lead DVM is our companies' strongest mentor and a point person for our regional DVM team. **Visit our website:** <http://bestfriendsanimalhospital.info/> **Email resume to:** [recruiting@svp.vet](mailto:recruiting@svp.vet) **Visit** [www.svp.vet/careers](http://www.svp.vet/careers)

**Veterinarian - Elizabethville, PA; Elizabethville Veterinary Hospital**

Elizabethville Veterinary Hospital, a mixed animal practice, is looking for a veterinarian who will become a member of our animal health care team. Our mission is to provide complete, life span care for domestic mammals while educating their owners in their proper care and management. We also have a strong interest in safeguarding the public health of our area. The species we treat most often are dogs, cats, horses and cattle while seeing an increasing number of sheep, goats, llamas, alpacas and some deer. This is a wonderful opportunity for someone with an interest in small ruminants. At this time we do not see or treat exotic animals, however if someone is very competent in treating these species, this would be an area that could be incorporated into our practice. We would consider applicants who wish to treat only small animals. We have a well-designed hospital with three exam rooms, waiting room with client restroom, reception area, employee lounge with employee restroom, pharmacy, lab, treatment room, radiology suite, sterile surgery room with kennels all on the main floor. The full basement houses laundry, deep isolation, full bath with shower, garage bay for practice vehicle and offices. Our equipment includes but is not limited to: digital radiology (just updated), digital ultrasound, complete Idexx lab equipment (with QBC, Chem 17, electrolytes, T4, phenobarbital level, etc.), dental suite, laser therapy, anesthetic machines, Tonopen and more. Our practice vehicle has a refrigerator, complete set of dental floats and portable ultrasound along with all the necessary equipment to take care of farm animals. Our employees are very experienced and dedicated. They have been with us a long time. Our licensed veterinary technician has been with us close to 30 years! We have an on-line pharmacy and participate in the Hills to Home program for home delivery of prescription diets. A popular ancillary service we offer is our Wednesday evening Puppy and Dog Training Classes taught by two of our very experienced employees. Elizabethville is a small town located about 25 miles north of Harrisburg, the capital of Pennsylvania. This area of Central Pennsylvania has the rolling hills and mountains of the Appalachian Mountains which border broad, green valleys. The Appalachian Trail is only 12 miles south of us! Elizabethville offers a rural lifestyle with a metropolitan area only a short drive away. A little further drive will take one to Lancaster, York and Gettysburg. Philadelphia and Baltimore are two hours away while New York and Washington, DC are three hours away. If you see yourself practicing high quality medicine in a beautiful, rural area in a veterinary service that fosters strong relationships with clients and the community, **please send a resume and cover letter to our mailing address: Elizabethville Veterinary Hospital, 269 Camp Street, Elizabethville, PA 17023 or e-mail to: [pinemeadowfarm@comcast.net](mailto:pinemeadowfarm@comcast.net) Our website is [www.elizabethvilleveterinaryhosp.com](http://www.elizabethvilleveterinaryhosp.com) Our phone number is 717-362-3003.**

#### **Veterinarian- small animal - Baltimore, MD; Westview Animal Hospital**

Great mentoring opportunity! We are looking for an associate veterinarian to join our 3 1/2 doctor group. Westview Animal Hospital is a small animal practice that is committed to providing the very best possible patient and client care. We are located in Baltimore County, Maryland. Being a privately owned hospital, we work for our patients and clients and not for shareholders. Each doctor is encouraged to develop their own style of delivering quality care. Our lineup of doctors has been very stable over the years. Our current veterinarians have all been here over 10 years. This unique longevity is evidence of the positive workplace environment that exists at Westview Animal Hospital. We are interested in a new or recent graduate (many of our long term associates started as new graduates). This is an opportunity to "learn the ropes" from 3 experienced veterinarians. There will always be another doctor working with you to discuss cases and help formulate plans for diagnosis and treatment. As a practice that continually evolves based on the latest knowledge, we welcome the input that a new associate provides. Some of our current areas of special interest include dentistry, ultrasound, behavior, chronic pain management and nutrition. However, we want to know what your areas of interest are so we can support your efforts to pursue those interests. We have a wonderful, dedicated support staff that possess the skills to enhance patient care. We will formulate a competitive employment package that balances our mutual needs and your work/life balance. Your work week will be under 40 hours with every other weekend off, every Sunday off, and no emergencies. We are in a location that is supported by several nearby emergency clinics, as well as a full range of specialists. We are proud to say that our hospital is held in the highest regard by

all the specialists we work with. We are also proud of the reputation we have with our clients and community. We invite you to check out our web page ([Westviewanimalhospital.com](http://Westviewanimalhospital.com)) as well as our reviews on Google and Facebook. **Phone (410-382-9269) or [fcohen2029@gmail.com](mailto:fcohen2029@gmail.com) Visit [www.westviewanimalhospital.com](http://www.westviewanimalhospital.com)**
