

Hello Students & Alumni!

This is your next edition of the UF CVM Career Job Postings sent on the first and third Friday of every month. Unless an employer re-submits their position, these postings only appear in one email, so make sure to read each email to stay up-to-date on available positions! If you missed an email, don't worry; you can access the archive of past email postings at

<https://education.vetmed.ufl.edu/student-affairs/career-resources/monthly-newsletters/>.

This ***Tip of the Email*** is a reminder about the upcoming virtual career fair **this Saturday, December 7th**. Once an employer chooses you to interview, you have 48 hours to accept their request, and then tune in Saturday to put your best self forward and show them what UF CVM students are made of! If you need any last minute interview advice, check out the Interviewing Strategies document on the Student Career Resources page of our website here:

https://education.vetmed.ufl.edu/files/2013/01/EL-Interviewing-Strategies-2016_CVM.pdf.

Also, we want to wish our class of 2020 VIRMP Match applicants encouragement and best of luck with the application deadline closing **Monday, December 9th!** For those still curious about how the Match program works, you can find information on the VIRMP website at <https://www.virmp.org/>. If you need a little help or advice for putting the final touches on your Match application, schedule an appointment with UF CVM Career Services at calendly.com/katelyn/cvm.

Best,

Associate Veterinarian – Marietta, GA; Paws Whiskers & Claws, The Feline Hospital

Interested in a short work day and week? How about no emergency calls, no boarding, and minimal to no hospitalization? We practice ethical medicine (we are a no declaw practice) while focusing on OUR quality of life as well as our patients'. We work hard but smart so that we allow for excellent patient care and client education while preserving our personal time. We specialize in complex disease management, heavy in internal medical and behavioral problems. Dr Globerman, who graduated from the University of Florida in 1999, has been practicing feline medicine for over 17 years along with certified cat behavior consultant Ingrid Johnson. Together, they micromanage each cat's quality of life from every aspect and help their owners understand what their cat needs and why. Education and hands on instruction are the hallmark of our success. Our appointments for new clients and patients are one hour since there is so much to learn about each patient and then teach each owner about what their cat needs to thrive. Regular appointments are 30 minutes. We never double book. Clients come to us because they want to treat; they want to do something for their cat(s). Too many vets do not give owners the knowledge or options of what to do with a diagnosis, if

they even obtain one. We value continuing education for ourselves so that we stay current for our clients who have high expectations of our knowledge and abilities. We want to pass on all that we have learned to an associate veterinarian who is eager to practice and learn the intricacies of feline medicine and what we have learned over the 17 years. We welcome new ideas and ways to improve upon what and how we care for our patients and their owners. We hope a new associate will bring knowledge and skills to add to our acumen. We encourage all interested applicants, including new graduates, but prefer someone with at least two years of experience. However, a passion for feline medicine and behavior is all that we require; we can do the rest! We offer a competitive salary as well as pay for all required CE, licenses, memberships, and two weeks vacation. **Visit our website at www.pawswhiskersandclaws.com or reach out via email to kyle@globerman1.com.**

Associate Veterinarian - Jackson, MS; Briarwood Animal Hospital

Briarwood Animal Hospital was opened in 1960 by Dr. Hugh G. Ward in Northeast Jackson. Our hospital was an original preceptor for the College of Veterinary Medicine at Mississippi State University. The Hugh G. Ward Internal Medicine Chair at MSU-CVM was named after him. Also, the Joe Ann Ward Critical Care Unit at MSU-CVM is named after his wife. Briarwood also provides the Briarwood Animal Hospital / Campbell G. Dale Scholarship. Briarwood Animal Hospital is a 14,000 sq. foot facility that offer us the ability to board and hospitalize up to a 100 patients. Briarwood offers a complete range of services and veterinary technology including surgery services, dental procedures, digital radiography, ultrasound with telemedicine capability, cautery unit, complete Idexx in-house lab which includes CBC, serum chemistry and urinalysis. Our hospital operates daily as a paperless hospital using Idexx's Cornerstone software with 13 workstations in the building. These services allow us the ability to provide high quality medicine and care that meets our clients expectations. Our veterinarians at Briarwood travel across the country each year to attend conferences and lectures to learn about the latest advancements in veterinary medicine, enabling them to provide the most cutting edge pet care available in central Mississippi. Briarwood is looking for a motivated individual with an outgoing personality. Also they should be looking for an opportunity for mentorship. Excellent verbal and written communication, good work ethic, and ability to work as a team are a necessity. Benefits include: medical insurance, MVMA / AVMA dues, Mississippi License, DEA license, Profit Sharing (retirement), 5 days C.E. with allowance, and 10 days paid vacation. **For more information, please contact msudvm04@hotmail.com or visit briarwoodhospital.com.**
