

## Hello Students & Alumni!

This is your next edition of the UF CVM Career Job Postings sent on the first and third Friday of every month. Unless an employer re-submits their position, these postings only appear in one email, so make sure to read each email to stay up-to-date on available positions!

The **\*Tip of the Email\*** is to have a wonderful time for those going to VMX Orlando. Here is an article on the five things to know before you go to VMX: <https://navc.com/vmx-2019-5-things-to-know-before-you-go/>

Best,  
UF CVM Careers

### **DVM FULL TIME**

**Staff Veterinarian- Quakertown and New Hope, PA; Bucks County SPCA**

The shelter medicine program is a key component in our efforts to achieve BCSPCA's objectives focused on caring for animals and improving placement rates. The Staff Veterinarian is a key member of the Shelter Medicine department, bringing his/her knowledge of shelter animal care and surgical expertise to the team. The Staff Veterinarian will be responsible for performing surgical procedures (primarily spay/neuter of cats, dogs and rabbits) and physical examinations on healthy and sick shelter animals. This position requires knowledge of and an interest in Shelter Medicine. The Staff Veterinarian will work at both of our shelter locations (Quakertown, PA and New Hope, PA). **For more information please email [hcausanschi@bcspca.org](mailto:hcausanschi@bcspca.org).**

**Associate Veterinarian- Brandon, FL; Santa Cruz Animal Clinic, INC.**

Santa Cruz Animal Clinic is a 3 Full Time doctor practice. We care for small animal, pocket pets, avian and some exotics. Santa Cruz Animal Clinic has been open since 1971 and is the second oldest practice in Brandon, FL. We have competitive salary and benefits. Experienced and new graduates will be considered. We are well equipped with brand new Idexx Lab Equipment, Digital Radiography, Digital Dental Radiography, Ultrasound and MLS Multiwave Laser. General Surgery experience and or Orthopedic experience is a plus. Pay will be discussed with each individual applicant. **For more information please email [santacruzanimal@verizon.net](mailto:santacruzanimal@verizon.net)**

### **Associate Veterinarian- Fort Lauderdale, FL; Park Veterinary Hospital**

Park Veterinary Hospital is seeking a Full-Time Associate Veterinarian to join our busy 2 doctor practice. Our AAHA accredited hospital has been providing exceptional care to pets in the Ft. Lauderdale area since 2007. We value treating our patients like family and are fully equipped to provide thorough examinations and diagnostic services. Our equipment includes digital radiographs, ultrasound, dental radiographs, k-laser, and extensive in-house lab setup. We are interested in adding a friendly, self-motivated, and compassionate associate with interest in general surgery/dentistry. New graduates are welcome to apply. Park Veterinary Hospital is located in the Ft. Lauderdale area, with close access to the beach and various outdoor activities. There is plenty to explore in South Florida on your days off. No after hour emergency or on-call required. Generous benefit package and salary options available, including medical insurance, PTO, CE, licensing fees and dues. **For more information visit our website at [www.parkvet.net](http://www.parkvet.net), or email resume to [ddberg1@gmail.com](mailto:ddberg1@gmail.com)**

### **Veterinarian- Daytona Beach, FL; Driftwood Animal Hospital**

We are seeking a full time veterinarian for our well established small animal hospital that has been anchored in the community since 1962. At Driftwood Animal Hospital we serve a large diverse client base in Daytona Beach, FL and surrounding communities. Minutes from Florida's beautiful beaches and conveniently located near the region's major metropolitan areas (Orlando, Tampa, Jacksonville, Miami). Our area also enjoys a reasonable cost of living. A three vet practice with over 50 years of experience combined, all with varying interests including internal medicine, dermatology, surgery (soft tissue and orthopedic). We work hard in a relaxed environment with a consistent and enthusiastic support staff. We are looking for a vet that will add to our collaborative work environment and continue to help us evolve along with veterinary medicine. Applicants should have an interest in diagnostic medicine as well as surgery. Experience is a plus, but new graduates are encouraged to apply. Diagnostic equipment includes: Direct Digital Rad, Dental Rad, Ultrasound, Chemistry/CBC (Abaxis VS2 and HM5). No emergency or on call hours. Florida license required. Salary is negotiable based on experience. Benefits include: paid vacation, paid CE time off, CE stipend, paid state license, professional membership dues, and liability insurance. **Please send Resume/CV to Dr. Kyle Wolfersteig at: [KyleWDVM@mail.com](mailto:KyleWDVM@mail.com) and visit our website: [www.driftwoodanimalhospital.com](http://www.driftwoodanimalhospital.com)**

### **Veterinarian- Sugar Hill, GA; Lanier Animal Hospital**

Lanier Animal Hospital, located in Sugar Hill, Georgia, is looking for a full-time veterinarian to join us and fill an upcoming vacancy our 2-doctor practice. We are looking for a doctor that would like to be located in the north Atlanta area by Lake Lanier and develop a career at a family-oriented, small-animal practice. Our focus is on client education and developing long-term relationships with clients and their pets. Applicants must have a strong background in surgery as well as in internal medicine. Any experience with exotics, orthopedic surgery or alternative medicine is a plus. We encourage new graduates to apply, as we will provide mentorship. We offer substantial benefits and include vacation, holidays, bonuses, retirement, several insurances, professional liability coverage, licenses, continuing education and a competitive compensation package. We pay for lunches regularly and have several staff outings throughout the year. Weekend work is limited and rotates between all of the doctors. Lanier Animal Hospital is an amazing 10,000 square foot state-of-the-art full-service veterinary hospital located in the Sugar Hill and Buford region, near the southern shores of Lake Lanier. We have in house bloodwork analyzers, digital x-ray, ultrasound, digital dental x-ray and many other toys. Go to our website for pictures and more information about us. <http://www.lanieranimalhospital.com> Salary: \$75,000.00 to \$95,000.00 /year. **For more information please email [reception@lanieranimalhospital.com](mailto:reception@lanieranimalhospital.com).**

### **Veterinarian- Scottsdale, AZ; Hayden Road Animal Hospital**

Hayden Road Animal Hospital is a family owned practice where as a team we make a positive impact on pet health care within the community of Scottsdale Arizona and the field of veterinary medicine. This is an excellent opportunity for a veterinarian looking for a full or part time opportunity in the East Valley of Phoenix with no emergency or on call commitments. Our ideal team member is a veterinarian committed to practice high quality medicine with a strong customer service and team-oriented approach. State of the art equipment, small animal practice (+/-exotics) we are seeking a new graduate associate to help mentor and shape their exciting veterinary career! What we have to offer: large surgery suite, two dental machines and wet tables with digital radiographs, full access to external laboratories for specialty panels and profiles, in- house full support lab (CBC, Chemistries, PT/PTT, UA, SNAP tests), on-site pharmacy stocked with medications requested by each doctor, access to wide network of veterinary specialists in the valley: neurologists cardiologist, oncologists, surgical. We have great work spaces in our recently remodeled 3000 sq ft facility with "client only" on site boarding. Completely computerized records for ease of access by doctors and staff. Practice in accordance to state practice act and principles of veterinary medical ethics. Proudly providing veterinary medical support to over 20 local, statewide, and federal police K9 organizations. As an opportunity to give back to our community, we proudly provide veterinary medical training classes to law enforcement and military officers, tactical medics, paramedics, and EMTs. Species seen (exotics +/-) up to individual DVM. Qualifications: DVM or VMD degree and licensed to practice in Arizona, above average surgical and dental skills and a willing to learn attitude toward evolving new skills, and good communication skills with associates, fellow staff, and clients. In hospital responsibilities include: evaluating owned animals brought in for examination, perform physical exams, diagnostics, therapeutics and determine an appropriate treatment plan. Give clear recommendations, treatment plans and written post-op instructions to owners. Perform general surgery, spay/neuter, dentals/comprehensive oral health assessment and treatment. Formulate, oversee, present, implement, review and update a humane euthanasia program. Examine and oversee treatment of injured or sick animals; provide accurate and precise instructions to the clinic technicians. This includes evaluation and treatment plans, isolation animals, adoptable animals, and protective custody animals as well as stray and surrendered animals. Technicians are trained to perform necessary procedures (catheter placements, surgical induction and intubation, radiographs, sample collections, etc.) so DVMs can focus on diagnosing and prescribing treatments. Technicians scale/polish teeth while DVMs evaluate teeth and extract. Surgical scrub in nurse available as requested in addition to technician monitoring anesthesia. Competitive salary (salary, commission, or pro-sal) depending on applicant experience and performance and is open to negotiation. Benefits include a health insurance plan, 401K, malpractice insurance, licensing/professional dues, CE allowance, flexible schedules, paid vacation, no emergency or on-call. Part time is also available upon request for experienced candidates. **For more information please email [wahoovets@cox.net](mailto:wahoovets@cox.net) or call 480-945-9466**
