DVM EXTERNSHIP

Extern: Myrtle Beach, SC; Animal Emergency Hospital of the Strand

Our clinic is equipped with state-of-the-art equipment including Advanced 3D Imagine(CT), ultrasound, digital x-ray, with a fully functional in-house laboratory. We have a blood donation program in place to maintain a blood bank for the local veterinary community and we are preparing to launch a plasma bank by the end of the year. Our new and upgraded facility is complete with a designated feline waiting room, 10 exam rooms, two surgical suites, multiple hospitalization wards, an isolation ward, and centrally located treatment area. Our total annual case load is 4,200 and growing. We average 2-3 surgical procedures daily per year. We currently have a team of 4+ doctors on staff to aid in your learning experience. Our team is also made up of experienced veterinary technicians and veterinary assistants. During your time with us, you will work closely with our doctors to diagnose cases and design treatment plans. We regularly have a variety of surgical cases and externs will be permitted to scrub-in and assist under the direct supervision of the attending surgeon. We accept all veterinary students, however, when spaces are limited, we do give priority to third and fourth year veterinary students. On-site housing is limited, please contact us to check availability.

Interested candidates please email internextern@aehs.vet.
