Small Animal Associate Veterinarian with Optional Exotics: Fort Meyers, FL; Colonial Animal Hospital

We are a 3,000sq/ft, 6 exam room, small animal and exotics practice located in Southwest Florida. The owner is a 2015 graduate who enjoys, and has experience with, mentoring and training new graduates and externs. The practice was established in 2017 and is complete with digital radiology, ultrasound, fully equipped surgical and dental suites as well and digital dental radiology. Being an exotics practice in Florida means you never quite know what's going to come through the door. We see ALL species (with the exception of hooved animals). Our practice prides itself on being the most well-maintained veterinary practice around and we are regularly complimented by our clients on the kindness and professionalism of our staff as well as the cleanliness of our facility. The overall atmosphere of the clinic has taken on the personality of the owner: relaxed and fun with a focus placed on helping the pets in our community and providing a quality customer experience. We are offering a \$100,000+ annual salary with a signing bonus of \$5,000 to help with moving expenses along with annual raises. Potential employees will have sincere 1-on-1 mentorship with access to the owner at all times. The position is for a full-time veterinarian working 5days/wk. Ample surgical training will be provided above and beyond routine spays/neuters. All of this in a fun, relaxed environment where the focus is not placed on production numbers or patient quotas. **Interested candidates please email km1colonial@gmail.com for more information.**
