

Hello Students & Alumni!

This is your next edition of the UF CVM Career Job Postings sent on the first and third Friday of every month. Unless an employer re-submits their position, these postings only appear in one email, so make sure to read each email to stay up-to-date on available positions!

Tip of the email: We want to hear from you! Please fill out this survey to let us know how we are doing, how we can better serve you, and what ideas you have for UF CVM Career Services for the upcoming school year. https://ufl.qualtrics.com/jfe/form/SV_3vBlEpWqjAvY3v7

Best,

Externships

Veterinary Externship-Chicago IL and Northwest IN; Coyne Veterinary Services

Come join us for an unmatched opportunity to develop your professional skills in one of our fast paced, non appointment, contemporary hospitals! We focus on mentorship and development through a hands on style of teaching at all of our Chicagoland and Northwest Indiana locations. You will be guided by an experienced team of doctors whose knowledge and individual attention will help you learn to deliver the highest standard of compassionate veterinary care while also developing your client communication skills. Program Structure: We offer flexible externships that range from two to eight weeks year round, all set to align with your availability. Often you will be scheduled Monday-Friday during the daytime so you can explore the normal daily life and caseload of a busy general small animal practice. Responsibilities: Under the direct supervision of a rotating team of experienced doctors you will be exposed to various methods of practice and teaching styles, ensuring that you achieve your maximum growth and potential. You will assist in working up cases, developing diagnostic plans, providing general wellness care, refining technical skills, writing medical records, expanding your client communication skills, scrubbing into surgery and potentially even helping with rehab and reproductive procedures depending on which hospital you are externing at. Who you are: We are looking for dynamic, enthusiastic current veterinary students who will uphold the professional and ethical standards of care our practices strive to deliver to all patients. When you are externing with us you become part of the Coyne team and are expected to represent the core values we consistently represent. You must be: insured by SAVMA or another similar entity, in good academic standing with your school, eager to learn and take on new challenges and eventually considering work in a small animal practice as one of your career options. What we offer: *Hourly rate or weekly stipend *Housing included at some locations *Hands on practice, training and mentorship from accomplished DVMs *Access to the newest equipment, including rehab and reproductive technologies, a full body CT and modern in house labs *Unlimited growth and learning potential in fast paced non appointment hospitals. **Interested candidates please email danielle.knight@coynevetservices.com for more information.**

DVM Full Time

Veterinarian- Marco Island, FL; Marco Veterinary Hospital

Marco Veterinary Hospital is seeking a full time veterinary associate in beautiful, sunny, Southwest Florida's Marco Island. We are a privately-owned, well-established small animal

practice with 1 part time and 3 full time veterinarians. One of the full time veterinarians is retiring and we need to fill this position. As a four veterinary practice we do a lot of collaborative medicine so you can be blessed with a lot of mentoring if necessary. Our close-knit, team-oriented practice has a great support staff. We offer full service with in-house Idexx blood and urine analyzer, digital radiographs, and ultrasound in addition to boarding and grooming. Our hours are 8AM - 5PM Monday through Friday and Saturday 8AM - noon. No on-call or emergencies after hours. Our busiest months are October through May. The work load between June and October falls off significantly and that's when we try to take our vacations but we are flexible. Benefits include paid dues, licenses, continuing education, and health insurance as well as 3 weeks vacation and six paid holidays. A retirement profit sharing plan is also included. The salary is negotiable and commensurate with experience. Marco Island is a small beach community with a wealthy and friendly clientele. We are located 20 minutes from Naples, 45 minutes from RSW International airport, and a few hours from the Florida Keys. It boasts a beautiful 6-mile beach, great fishing, boating, bird watching, and water sports with year-round beach weather. Get ready for the best work environment, the best job, and the place to live in the USA! We can't wait for you to join our team! **Interested candidates please email bgarrison25@comcast.net for more information.**

Associate Veterinarian- Chicago IL and Northwest IN; Coyne Veterinary Services
Are you a Veterinarian that's looking for the following: An opportunity to practice the highest standard of veterinary care with the support of a dedicated and compassionate team. Access to innovative and advanced equipment housed within a modern beautiful hospital. A loyal and involved client base. A chance for community involvement through working with one of our many rescue partners. A collaborative and passionate environment focused on client care Who we are looking for: Full or Part Time Associate Veterinarian Motivated, dynamic, self starter with strong communication and interpersonal skills Leaders with strong organizational and analytical skills. Someone with knowledge of best medicine and proficient in general surgery. A team player with a love of Veterinary Medicine and the desire to be a life- long learner. Who we are: We are a group of busy non appointment based hospitals in the Chicagoland and Northwest Indiana area. We aim to combine innovation, compassion, outstanding veterinary skills, and respect for the human-animal bond to consistently provide the best possible care to the communities we serve. Your daily duties: Performing examinations of patients and developing treatment plans. Communicating treatment plan for support staff Explaining diagnostics to clients in a compassionate manner. Discussing follow up care and options. Discussing estimates and treatment options with clients Maintaining detailed digital medical records in a timely manner. Completing daily client callbacks in a respectful and understanding tone. Communicating patient follow up with other team members in the practice. Performing surgery and dental extractions. Benefits for a full-time associate veterinarian include: Highly competitive salary, Paid time off Mentorship Program, Health insurance, 401k, Paid dues, license and liability insurance, renewal fees Generous annual CE allowance Significant veterinary service discount. **Interested candidates please click here for more information:**
