

2020 - 21 COST OF ATTENDANCE

The cost of attendance (COA) is an *estimate* of UF CVM expenses. You may be awarded financial aid *up to* your COA; financial aid cannot exceed COA. Room & food figures below reflect off-campus allowances. Students living on campus or with parents will have different figures.

DVM students pay block tuition in fall and spring, and therefore do not pay tuition in summer. Summer enrollment is **REQUIRED** to receive summer financial aid.

Please note: DVM/MPH students pay tuition on a per-credit-hour basis, rather than block tuition. Therefore, DVM/MPH students will be charged tuition for every semester in which they are enrolled. Enrollment is a requirement to receive financial aid. DVM/MPH COA is on page 2 of this document.
