Associate Veterinarian (FT or PT) – Bethesda, MD; Benson Animal Hospital

Benson Animal Hospital -- an established, busy, independently owned, small animal practice in Bethesda, MD -- seeks Full-Time and/or Part-Time Associate Veterinarian(s), including recent CVM graduates. We are looking for vets with integrity, compassion, and a love of the practice of medicine. BAH provides an exceptional work-life balance. Average work week is 40 hrs, with no after-hours or on-call emergency duties. Benefits include paid vacation, paid sick leave, and health insurance. Licenses plus local continuing education paid for by the practice. Salary commensurate with experience. Founded in 1953, Benson Animal Hospital is a multi-generational family practice serving downtown Bethesda and the Washington, DC community for almost seventy years. We are proud to be a cornerstone of our neighborhood -- we have third-generation clients coming to us now! A full-service small animal hospital operating on a walk-in basis, BAH welcomes routine medical, surgical, and dental care as well as emergency cases seen during business hours. Our treatment process is conservative, yet up-to-date with the latest research, and we understand that each case is unique or, as we say, "modern medicine, delivered the old-fashioned way." We pride ourselves on educating clients at every step, ensuring that they understand the treatment process and outcomes and, most importantly, have agency over their

animal's health. BAH utilize advanced in-house imaging such as ultrasound, endoscopy, and digital radiography (including dental), which allows us to maintain an exceptional quality of care for our clientele. We operate as a walk-in clinic for the convenience of clients, but surgeries are scheduled in advance. Our team of vet techs provide superior support, facilitating seamless care. BAH is just across the DC/MD border -- five minutes away from the city line. The practice is in the bustling and extremely walkable downtown Bethesda area. It is Metro accessible, but we can provide on-site parking. **Please contact Dr. Randy Benson directly at 301.980.8769 or rcbdvm@yahoo.com for more information about the job openings, or to submit your resume directly.**
