

Hello Students & Alumni,

This is your next edition of the UF CVM Career Job Postings sent on the first and third Friday of every month (or the Monday after a holiday). Unless an employer re-submits their position, these postings only appear in one email, so make sure to read each email to stay up-to-date on available positions!

Tip of the email: Students can schedule virtual meetings with Katelyn Jerles for resume reviews and career advice [here](#). There are after business hours meetings available on Tuesdays! Remember [UF CVM Career Week is September 21-26th](#) with the [National DVM Virtual Career Fair on September 26th](#).

Best,
UF CVM Careers

DVM Internship

Clinical Veterinarian Internship: Immokalee, FL; BC US LLC

BC US LLC was established in 2012 near Immokalee Florida, approximately 40 miles due east of Naples Florida. The site serves as a breeding, holding and quarantine facility for Mauritian origin macaques. Together with our high-level of care and enrichment programs, we ensure that the company oversees a program of the highest standards providing non-human primate models for life-saving biomedical research programs to pharmaceutical companies, CROs as well as Universities. Under the guidance of an experienced veterinarian, gain experience overseeing the preventative health program for hundreds of nonhuman primates, including disease surveillance and prevention, administering analgesics and anesthetics surgical and post- surgical care, diagnosis, and treatments of diseases. 1-2 year internship opportunities available. Extended internship terms allow for gaining a greater depth of knowledge of nonhuman primate clinical medicine, behavioral management, experience working with a breeding colony, and increasing exposure to quarantine and processing events. **Interested candidates please email info@biocultureus.com for more information.**

DVM FULL TIME

Associate Veterinarian – Jacksonville Beach, FL; Shoreline Animal Hospital

Our family-owned veterinary clinic, Shoreline Veterinary Hospital, is a small animal practice seeking a veterinarian to join our team. We are a full service, three doctor veterinary practice located in the thriving Jacksonville Beach area. The practice was established in 1971 and has a great reputation in the community. We have expanded and modernized our services to better serve our patients and clients. Our dedicated clients are well educated and understand the need for quality veterinary care. Our cases can be complex and we work them up thoroughly offering most testing in-house, but referring when necessary. We have a dedicated office staff. This is an opportunity to join a well-established hospital with a great team that practices high-quality medicine in a positive and collaborative environment. Our fully digital (Avimark software) hospital is equipped with in-house bloodwork machines, digital x-rays, digital dental x-rays,

ultrasound surgical (CO2) laser, cryoprobe, tonometry, and all of the other tools you may need to manage your patients. The position will require the applicant to work up to 4 days/week (though this is flexible depending on your needs). Our practice is "daytime only", open from 8am-6pm Monday through Friday with a break between 12pm-2pm. We are only open on Saturdays from 8am-12pm and doctors rotate weekends typically working 1-2 Saturdays per month. Successful candidates must have great communications skills, proficiency at building rapport with clients, and work well with staff. Compensation and benefits are based on experience. Come live and work next to the beach and enjoy the numerous activities that our area has to offer. If you are looking for a great position in a wonderful location, we look forward to hearing from you! Job Type: Full-time Pay: \$100,000.00 - \$125,000.00 per year. Health insurance reimbursement, CE allowance, professional dues and fees also paid. **Email Dr. Jacob Vencil at vencilj@gmail.com**

Associate Veterinarian: Boynton Beach, FL; Healing Heart, Inc.

Healing Heart is pleased to announce we are expanding our integrative practice in Palm Beach County Florida (less than three miles from our magnificent beaches). We are seeking a full time and part time integrative veterinarian to join our team! Our practice offers a blend of both traditional and alternative care options to optimize the health and well being of our animal friends. These options include nutrition, ozone, micro-biome restorative therapy, acupuncture, chiropractic, homeopathy and more. Our 40' x 12' outdoor salt pool offers dogs a refreshing spa day to enjoy swimming, playtime and exercise. It also provides a safe haven to rehabilitate after injuries/surgeries or to increase mobility quickly in aging pets. **If you are seeking to join a bustling, progressive, integrative vet practice, please visit healingheartvet.com and send resume to danahh@bellsouth.net.** We look forward to hearing from you!

Veterinarian: St. Petersburg, FL; Gateway Animal Hospital

At Gateway Animal Hospital, we strive to maintain a professional, friendly, and family-oriented practice that puts our patients and their families at ease. Serving the St. Petersburg Florida community since 1987, our commitment to our clients and patients has been the beating heart of our veterinarians for over 30 years! We are currently seeking an associate veterinarian who is passionate, experienced, and willing to be part of our team in order to provide the highest quality veterinary care in the industry. The ideal candidate would enjoy personalizing the client/patient experience and individualizing care to each pet that walks through our door. Our experienced team of veterinary technicians, client service representatives, and veterinarian peers at Gateway Animal Hospital would be a strong support system to help move your career forward in patient-centric care. Gateway Animal Hospital is a full-service hospital with the ability to perform: management and treatment of numerous medical conditions, surgery, digital radiography, ultrasonography, and full-service lab work through Antech and in house. **Interested candidates please email gatewayah@yahoo.com for more information.**

Small Animal Veterinarian: Spring Hill, FL; Spring Hill Animal Clinic

Spring Hill Animal Clinic has been serving the Spring Hill community for over 30 years! Our gorgeous 5,700 sq. ft. facility (built in 2009) is well-equipped to handle most forms of surgery, from routine spay and neuter operations to advanced orthopedic and soft tissue surgeries. We offer ultrasound, digital x-ray, endoscopy, and full in-house labs. We are very proud of our team and boast an experienced support staff of twelve dedicated team members, four of whom are certified technicians! We are seeking an Associate Veterinarian to join our team of experienced

veterinarians. Our doctors collaborate on cases to foster a learning environment, while offering the best medical recommendations to the clients, for all of the patients in our care. There is an opportunity to see a wide variety of medical and surgical cases, build your own clientele, and become a part of our local community. This position would be a great opportunity an experienced veterinarian looking to grow their clientele within our practice. Benefits: Flexible Compensation Package (Salary only or ProSal) Healthcare: Medical, Vision and Dental, Three (3) Weeks' Paid Time Off (PTO), Paid Continuing Education (CE) Days, Generous Continuing Education (CE) Allowance, Paid State Licensing Fees, Paid AVMA and State Professional Dues, Short-Term and Long-Term Disability Insurance, Life Insurance, Professional Liability Insurance (PLIT), Continued Mentorship Opportunities, and Company-Wide DVM-Only Messaging Platform to Share Cases and Ideas. **Interested candidates please contact lrust@americanveterinarygroup.com for more information or <https://jobs.lever.co/americanveterinarygroup/a9fd46dd-398f-4f1e-8cdf-5c801a7d38dc>**

Small Animal Veterinarian: Haines City, FL; Heart of Florida Animal Hospital
Heart of Florida Animal Hospital has been serving the community of Polk County for over 30 years! We are a busy 3-doctor practice that offers digital x-ray, ultrasound, electronic medical records, laser, and in-house Idexx blood machines. We are a family-friendly practice and have a loyal client base. If you are looking for your next home, we would love to hear from you! We are seeking an Associate Veterinarian to join our team of experienced veterinarians. Our doctors collaborate on cases to foster a learning environment, while offering the best medical recommendations to the clients, for all of the patients in our care. Small Animal Veterinarian: Clermont, FL; Atlas Pet Clinic
Atlas Pet Clinic is located in the quaint Orlando suburb of Clermont, FL. We are a high-quality, fast-paced small animal practice. Our 2-doctor team prides themselves on the ability to manage multiple cases/rooms, while providing quality care and excellent customer service to our clients. We recently underwent a complete renovation and moved to a brand new, 5,000 sq. ft. facility just a mile down the road from our former practice. Our new location will allow us to expand our team and continue to provide excellent care to our current clients, while also growing our following of loyal clientele! We are seeking an experienced Associate Veterinarian to join our team of veterinarians. Our doctors collaborate on cases to foster a learning environment, while offering the best medical recommendations to the clients, for all of the patients in our care. There is an opportunity to see a wide variety of medical and surgical cases, build your own clientele, and become a part of our local community. This position would be a great opportunity an

Lead Veterinarian: New Port Richey, FL ; All Pets Hospital

All Pets Hospital, located in New Port Richey, FL, is a 2-doctor, AAHA-accredited, full-service veterinary medical facility. We see predominantly dogs and cats, but do see a limited number of exotics, including ferrets, rabbits, rats, and other pocket pets. Avimark software, digital x-rays, ultrasound, in-house lab equipment (testing available for chemistries, thyroid, cpl), and 4 exam rooms. The Lead Veterinarian serves as the medical leader of the practice, fostering a positive and collaborative work environment that results in an excellent treatment experience for the patients and clients we serve, as well as an excellent employment experience for the practice's patient care team. The Lead Veterinarian works with the associate veterinarians and the Regional Medical Director to help ensure that quality and appropriate veterinary medicine is performed within the practice. Additionally, they partner with the Practice Manager in matters of general management, staffing/scheduling, as well as ensuring that operational and financial goals are being met. Benefits: Flexible Compensation Package (Salary only or ProSal) Healthcare: Medical, Vision and Dental, Three (3) Weeks' Paid Time Off (PTO), Paid Continuing Education (CE) Days, Generous Continuing Education (CE) Allowance, Paid State Licensing Fees, Paid AVMA and State Professional Dues, Short-Term and Long-Term Disability Insurance, Life Insurance, Professional Liability Insurance (PLIT), Continued Mentorship Opportunities, and Company-Wide DVM-Only Messaging Platform to Share Cases and Ideas. **Interested candidates please contact lrust@americanveterinarygroup.com for more information or <https://jobs.lever.co/americanveterinarygroup/9e3df374-b281-4bd4-b4fb-e126c5ce68cf>**

Veterinarian: Wichita, KS; Kansas Humane Society Inc.

Perform quality surgeries, physical examinations, and diagnose and treat shelter animals as KHS resources allow. Collaborate with other clinic veterinarians to develop methods to improve the well-being of shelter pets and increase the Live Release Rate. Assist the Lead Veterinarian in oversight and support of the clinic team by orienting and training Clinic Staff and volunteers. **Interested candidates please email meby@kshumane.org for more information.**

Lead Veterinarian: Neillsville, WI : Clark County Humane Society Inc.

An amazing opportunity to help animals and people in need and truly make a difference is now available at the FixaPet Program in Wisconsin. FixaPet is in search of a full-time or part-time Veterinarian to join our team. Requirements include holding a current, active and clear Wisconsin DVM license, obtaining DEA licensure within 6 months (expense reimbursed), a commitment to excellence and a willingness to learn. Good communication skills with a sense of humor and positive attitude are a must. Above all, a passion and commitment to treating patients and clients with kindness and respect is essential. FixaPet is a successful low-cost,

spay/neuter program for the public's animals, where almost 20,000 surgeries have been performed. Sponsored by Clark County Humane Society, a new 12,000 square foot addition to the Shelter houses the clinic. Plans are to increase the size and scope of the FixaPet program as the demand for these services has been overwhelming and shows no signs of slowing. Future plans are already in place to expand the facility, and this new position will be an integral part of adding to the capabilities. Responsibilities include ensuring safe, effective and efficient medical processes while providing direction to medical support staff. This position will be the lead vet for the FixaPet and Shelter Medicine programs. As such, performing high-volume, high-quality spay/neuter surgeries for Shelter and public animals is required. Oversight of our Shelter medicine program will include wellness exams, vaccinations, diagnosis and treatment of illness, developing and implementing treatment plans as needed for Shelter animals, dental cleanings and extractions, soft tissue surgeries, and performing other surgeries as needed for Shelter animals. In-house lab diagnostic capabilities are available. **Interested candidates please email petshelter@email.com for more information.**

Full Time Associate DVM: Chicago, IL; Old Town Animal Care Center

Our privately owned practice in Chicago is seeking an Associate Veterinarian to join our team! Our ideal candidate will want to join us Full time, has strong communication skills, is confident with small animal medicine or is ready to jump in and start learning more from experienced mentors, has a desire to excel in soft tissue surgery and dentistry and a passion for helping pets and their people by always providing excellent customer service. Our non-appointment style hospital stresses high quality medicine and surgery in our efficient, full-service facility. Associates will experience varying levels of cases, from preventative to emergent. We have the ability to perform advanced surgeries, endoscopy, ultrasound, chiropractic, acupuncture, physical rehab and laser surgery/therapy. In addition to a highly competitive salary, our generous compensation package offers major medical, vision, life and dental insurance, 401k, PTO, paid maternity/paternity leave, relocation assistance, liability coverage, association dues to three veterinary organizations, and state and federal licensing fees, uniforms and personal pet discounts. Continuing education is supported and highly encouraged. Associates receive annual stipends for continuing education to help further our value for best medicine. Our hospital is equipped with new modern veterinary tools and technology to aid in the ability to offer exceptional care to our patients. If this sounds like a good fit for you, please reach out to inquire more or apply. New graduates are encouraged to apply! **Interested candidates please email danielle.knight@coynevetservices.com for more information.**

Clinical Veterinarian: Immokalee, FL; BC US LLC

BC US LLC was established in 2012 near Immokalee Florida, approximately 40 miles due east of Naples Florida. The site serves as a breeding, holding and quarantine facility for Mauritian origin macaques. Together with our high-level of care and enrichment programs, we ensure that the company oversees a program of the highest standards providing non-human primate models for life-saving biomedical research programs to pharmaceutical companies, CROs as well as Universities. Position Description: Full time position as a clinical veterinarian. The veterinarian will be responsible for ensuring appropriate veterinary care consistent with BC US LLC's Standard Operating Procedures and in accordance with the Animal Welfare Act and The Guide for the Care and Use of Laboratory Animals (2011). This includes but is not limited to overseeing the preventative health program, disease surveillance and prevention, administering

analgesics and anesthetics surgical and post- surgical care, diagnosis and treatments of diseases. New graduates welcome to apply. **Interested candidates please email info@biocultureus.com for more information.**

Associate Veterinarian: Boynton Beach, FL; Fountains of Boynton Animal Hospital
Full time DVM associate position available in a busy 2 doctor small animal hospital minutes from the beach in suburban Boynton Beach Fl. Affluent clientele who allow proper work up and treatment of patients. Excellent support staff, certified technicians. Digital radiology, and dental radiology, surgical laser, therapy laser, paper light practice. Mentorship available from a UFCVM alumni. Work-life balance. After hour emergencies are referred to local emergency clinic. **Interested candidates please fax resume to 561-737-6320 or email to hospital@fountainsah.com**

Veterinarian: Fort Lauderdale, FL; Healing Paws Center
Healing Paws Center is looking for full-time or part-time veterinarians to join our well-established and growing practice. We support our veterinarians with superior salary, benefits, and an enriching team-oriented environment and mentorship. We specialize in the fast-growing field of Holistic and Integrative Veterinary Care, including acupuncture, rehabilitation/physical therapy & rehabilitation, laser therapy, nutritional consultations, herbal therapy, hydrotherapy, ozone therapy, infrared imaging, magnetic pain relief and much more! Experience in Holistic Veterinary Care is preferred but not required. Certification in rehabilitation (CCRT or CCRP) and/or certification in acupuncture (CVA or IVAS) is preferred but not required. For enthusiastic and motivated candidates who would like to take advantage of the opportunity to broaden their skill set and develop new expertise, we offer a comprehensive training program and dedicated mentorship, as well as our sponsorship of an acupuncture certification from an accredited institution. Notably, the number of Holistic Veterinarians listed with the American Holistic Veterinary Medical Association has steadily increased over the years as more and more people seek out holistic and integrative care for their pets, as is evident by the high demand we experience for our Holistic Services. And our clients love how much our holistic non-invasive services help their pets (check out our excellent Google Reviews for healingpawsfl.com)! This is an exceptional opportunity to establish a client base! Our Holistic Practice is an optimal alternative to the typical General Practice, and we stress the importance of a work-life balance. Our veterinarians do not work Sundays, overnights, or on-call shifts. Sunny Fort Lauderdale Florida offers many cultural, musical entertainment and world-class sporting event options, renowned dining locations and spectacular beaches. Finish your shift in time to take in a sunset at the beach! Our 3,500 square foot facility is State of the Art with a fully-equipped canine gym, including underwater treadmill and land treadmill. We also have cutting edge equipment for therapeutic laser therapy, E-stim (NMES/TENS), magnetic pain relief therapy, and more! In addition, we have 5 exam rooms. The ideal candidate is personable, professional, and able to build and maintain client relationships. We are looking for a licensed veterinarian that has the initiative and aptitude to find solutions to problems, present ideas to enhance current processes and procedures, take on additional responsibilities as new tasks arise, and is able and willing to perform duties without supervision. **Interested candidates please email Jesspetvet@gmail.com for more information.**

OTHER

Telehealth Veterinarian – Remote: US; Vester

Have you ever wished for increased flexibility in your working schedule? When you provide telehealth and/or telemedicine services through Vetster, you are working on your own time, from any location of your choice (so long as it has internet access!). Joining Vetster as an independent contractor begins by signing up at <https://vetster.com/for-vets/>. Creating your profile is easy and takes less than five minutes. A member of our team will then verify your credentials (to ensure the general public is not receiving veterinary advice from a non-veterinary professional), and you can expect to receive an email once your profile has been approved. Set your own hours of availability and charge a rate that reflects your experience and expertise. Begin practicing telehealth, or if your state/province permits, telemedicine as soon as you are ready! You'll receive notifications via text and email every time a pet parent books an online appointment. Compensation: Veterinarians on Vetster charge a minimum of \$35 USD per appointment. Each appointment is 15 minutes in length. You are welcome to set your own rate, up to a maximum of \$350 USD per appointment. **Next Steps: Create a profile at <https://vetster.com/for-vets/>. Email susan@vetster.com for more information!**

Telehealth Provider- Registered Veterinary Technician – Remote: US; Vester

As a veterinary professional on Vetster, you are contributing to a network of professionals committed to replacing Dr. Google with reliable, accurate advice and care. Furthermore, you are meeting the evolving needs of clients, whose expectations reflect the convenience offered by modern technology. About the Role: Have you ever wished for increased flexibility in your working schedule? When you provide telehealth services through Vetster, you are working on your own time, from any location of your choice (so long as it has internet access!). Joining Vetster as an independent contractor begins by signing up at <https://vetster.com/for-vets/>. Creating your profile is easy and takes less than five minutes.
