

Hello Students & Alumni,

This is your next edition of the UF CVM Career Job Postings sent on the first and third Friday of every month with 25 postings! Unless an employer re-submits their position, these postings only appear in one email, so make sure to read each email to stay up-to-date on available positions!

**Tip of the email:** It can be part of your job/externship search strategy to reach out to organizations of interest that may **NOT** have an active posting. Here's a statement from a recent email written by a veterinary recruiter to UF CVM Careers, *"As you already know, there is a large shortage of veterinarians in the industry, every company continues to be extremely busy, even through COVID, and at this time almost any clinic would hire an associate vet, if not more than one."* If you wondering how to do this, [schedule an appointment](#) now to talk strategy!

Enjoy your weekend,  
UF CVM Careers

---

## **DVM EXTERNSHIPS**

**Externship:** Ardmore, Tennessee, Ardmore Companion Animal Hospital

The externship at Ardmore Companion Animal Hospital will provide a two or four week immersion in small animal general practice in a privately owned, well established, and thoughtfully run hospital. The instruction will be focused on applying what the extern has learned in school to practicing in the real world, including coaching on how to diagnose and manage challenging cases within a client's budget, and how to communicate effectively with clients and coworkers. The geographic location of the hospital is in essentially rural town very near the tech-centric city of Huntsville, Alabama, means that the clientele ranges from farmers to rocket scientist, with a caseload equally varied. Since boarded specialist are 30 to 90 minutes away for our clients, we have the opportunity to manage complex and challenging cases in medicine, dermatology, ophthalmology, and surgery. The supervising veterinarian, Dr. Wendy Rosenbek, is a 1987 graduate of the University of Tennessee College of veterinary medicine. She will coach the extern on how to build a career that can make it possible to practice happily for a lifetime in this incredibly rewarding, but potentially highly stressful profession. Her goal will be to arm each extern with some tools not found in the college curriculum that should be helpful irrespective of which specific career path the student chooses and some insight into the specifics of private practice and practice ownership. **Contact** [Kim@acahsite.com](mailto:Kim@acahsite.com)

**Externship:** Multistate, Community Veterinary Partners

Community Veterinary Partners (CVP) mission is to bring joy to families by providing the best care possible to the pets they love. A growing community of animal hospitals, CVP empowers our veterinary professionals by providing unwavering support services that allows them to get back to what they love doing the most – caring for pets. Offering a fast-paced, exciting and true entrepreneurial work environment, CVP is a tight-knit community of veterinary professionals delivering unparalleled patient and client care in atmospheres of uncompromising compassion. CVP Externships are learning opportunities offered to veterinary industry students in partnership with their academic institutions. The purpose in offering these opportunities to

students is to provide early real life hands-on clinical experiences thereby accelerating a student participants successful entry into the profession. We invite you to explore the many exciting opportunities within our highly collaborative network of veterinary hospitals! **Interested candidates please email [laura.strong@cvpco.com](mailto:laura.strong@cvpco.com) for more information.**

### **DVM FULL TIME**

**Associate Veterinarian:** Ardmore, TN; Ardmore Companion Animal Hospital, PLLC

We have a great job offer for a veterinarian who wants to work in a private practice where a sense of humor and intellectual curiosity are valued assets; where the workplace atmosphere is congenial and cooperative; where kindness, patience, and respect are the principles that guide interactions with patients, clients, and coworkers; where decisions about patient care and diagnostics are made by the attending doctor, not dictated by a template designed by a corporate owner most interested in repeatability and profit; and likewise, where business management decisions are made by people working every day as part of the team. We like our employees to strike balance in their lives and we're ok with flexible schedules and diversity. Our senior staff loves to mentor and teach and encourages creativity and innovation from everyone. Come and meet us, see what you think- we'll put you up overnight and buy you dinner. **Contact**

**[Kim@acahsite.com](mailto:Kim@acahsite.com)**

**Associate Veterinarians (PT or FT):** Bethesda, MD/Washington DC; Benson Animal Hospital  
Benson Animal Hospital -- an established, busy, independently owned, small animal practice in Bethesda, MD -- seeks Full-Time and/or Part-Time Associate Veterinarian(s). We are looking for vets with integrity, compassion, and a love of the practice of medicine. BAH provides an exceptional work-life balance. Average work week is 40 hours, with no after-hours or on-call emergency duties. Benefits include paid vacation, paid sick leave, and health insurance. Licenses plus local continuing education paid for by the practice. Salary commensurate with experience. We are opening up our job search to recent grads; immediate openings available. Founded in 1953, Benson Animal Hospital is a multi-generational family practice serving downtown Bethesda and the Washington, DC community for almost seventy years. We are proud to be a cornerstone of our neighborhood -- we have third-generation clients coming to us now! A full-service small animal hospital operating on a walk-in basis, BAH welcomes routine medical, surgical, and dental care as well as emergency cases seen during business hours. Our treatment process is conservative, yet up-to-date with the latest research, and we understand that each case is unique -- or, as we say, "modern medicine, delivered the old-fashioned way." We pride ourselves on educating clients at every step, ensuring that they understand the treatment process and outcomes and, most importantly, have agency over their animal's health. BAH utilize advanced in-house imaging such as ultrasound, endoscopy, and digital radiography (including dental), which allows us to maintain an exceptional quality of care for our clientele. We operate as a walk-in clinic for the convenience of clients, but surgeries are scheduled in advance. Our team of vet techs provide superior support, facilitating seamless care. BAH is just across the DC/MD border -- five minutes away from the city line. The practice is in the bustling and extremely walkable downtown Bethesda area. It is Metro accessible, but we can provide on-site parking. **Please visit [www.bensonanimalhospitalbethesda.com](http://www.bensonanimalhospitalbethesda.com) for more information about the practice. Contact Dr. Randy Benson directly at 301-980-8769 or**

[bensonanimalhospitalbethesda@gmail.com](mailto:bensonanimalhospitalbethesda@gmail.com) for more information about the positions, or to submit your resume directly. We look forward to hearing from you!

**Veterinarian:** St. Louis, MO; Cross Keys Animal Clinic

Cross Keys Animal Clinic, a CareVet partner, has openings for a Veterinarian in the St Louis, MO area (Relief Coverage would be considered). The perfect veterinarian for Cross Keys will have exceptional communication skills allowing them the ability to bond with clients and to build positive relationships with leadership and the support team. This well-established 2 doctor hospital has been a part of its community for 50 years. Cross Keys is growing rapidly and requires a progressive, kind doctor looking to be part of a team. With a strong community reputation (the kind money can't buy!) clients have been coming to this practice for generations. We also have an experienced well-staffed support team. Client education is very important at CKAC, as well is giving back to our community. We provide the opportunity to give back by working closely with local shelters. CKAC values individual skill and personality and is looking for a doctor to take this practice to the next level of its legacy. Our partnership with CareVet

provides our veterinarians with benefits such as: Competitive Compensation packages including Base Salaries with % Production, Signing and Relocation Bonuses, A Robust Benefits Package including Medical, Dental, & Vision insurance & 401k with match, Employee Assistance Program with a focus on compassion fatigue & stress support, Vision for continuous advancement of patient care and services, including company paid dues and a focus on CE opportunities. St. Louis can be described as a big city with small-town charm. Whether you're looking to be in the heart of downtown or settle in the suburbs, you'll easily be able to find the perfect neighborhood for you and your family. With such a large metro area its St. Louisans easily commute across the metro area to work using highways 64 or 70! St. Louis has many attractions including the St. Louis Zoo, Art Museum, Science Center and City Museum to name a few. In addition, we boast some of the best sports teams in the county (we might be biased) such as the St. Louis Cardinals Baseball and Blues Hockey teams. We are open to all levels of experience and even offer new graduate mentorship with on-site training and mentorship within CareVet training hospitals. Additionally, we offer relocation opportunities to other hospitals after training is completed! CareVet community hospitals offer a strong, veterinarian-focused culture. All of our practices are long established in their communities. Some have leadership looking to transition, providing medical director opportunities and open to new visions, while others have solid continuing leadership in place and looking for strong veterinarians to join in and continue driving excellent patient care and service. Become part of our fast-growing support system and receive the benefits that come with the CareVet community! Visit <https://jobapply.page.link/J4M9>

**Associate Veterinarian:** Boynton Beach, FL; Healing Heart, Inc.

Healing Heart is pleased to announce we are expanding our integrative practice in Palm Beach County Florida (less than three miles from our magnificent beaches). We are seeking a full time and part time integrative veterinarian to join our team! Our practice offers a blend of both traditional and alternative care options to optimize the health and well-being of our animal friends. These options include nutrition, ozone, micro-biome restorative therapy, acupuncture, chiropractic, homeopathy and more. Our 40' x 12' outdoor salt pool offers dogs a refreshing spa day to enjoy swimming, playtime and exercise. It also provides a safe haven to rehabilitate after injuries/surgeries or to increase mobility quickly in aging pets. **If you are seeking to join a bustling, progressive, integrative vet practice, please visit [healingheartvet.com](http://healingheartvet.com) and send resume to [danahh@bellsouth.net](mailto:danahh@bellsouth.net). We look forward to hearing from you!**

**Full Time Associate DVM:** Cairo, GA; Animal Medical Center

Eager to have a practice of your own??? Make up to six figures right out of the gate? Seeking full time associate with an eye toward purchase in the near future. Tons of potential for growth in a friendly, family oriented community in south Georgia. Organization is key in this attractive, well established, primarily small animal practice, with IDEXX analyzers, digital radiography, boarding, grooming, and loyal clientele. A larger city with amenities and emergency care is

close by. Whether you're looking for mentoring or autonomy, this could be the opportunity you're looking for! **Contact [jlackerman16@gmail.com](mailto:jlackerman16@gmail.com) Visit [www.amcpetvet.com](http://www.amcpetvet.com)**

**Vet partner, no money is requested:** Miami, FL; New veterinary clinic

I am looking for a vet who is interested in setting up a new clinic in Miami. You do not have to contribute capital. The goal is to start a new concept of veterinary clinic with revolutionary ideas, and extreme quality products. They must speak Spanish and reside in the Miami area. The project is very nice with a single investor who loves animals. **You can contact 786-816-1893 or [isegurafp@yahoo.com](mailto:isegurafp@yahoo.com), it is preferable to send the CV before the call.**

**Associate Veterinarian: United States; gpac**

**Contact [brier.derby@gogpac.com](mailto:brier.derby@gogpac.com)**

**Remote Telehealth Provider – Veterinarian:** North America; Vetster

Have you ever wished for increased flexibility in your working schedule? When you provide telehealth and/or telemedicine services through Vetster, you are working on your own time, from any location of your choice (so long as it has internet access!). Joining Vetster as an independent contractor begins by signing up at <https://vetster.com/for-vets/>. Creating your profile is easy and takes less than five minutes. A member of our team will then verify your credentials (to ensure the general public is not receiving veterinary advice from a non-veterinary professional), and you can expect to receive an email once your profile has been approved. Set your own hours of availability and charge a rate that reflects your experience and expertise. Begin practicing telehealth, or if your state/province permits, telemedicine as soon as you are ready! You'll receive notifications via text and email every time a pet parent books an online appointment. Compensation: Veterinarians on Vetster charge a minimum of \$35 USD per appointment. Each appointment is 15 minutes in length. You are welcome to set your own rate, up to a maximum of \$350 USD per appointment. **Next Steps: Create a profile at <https://vetster.com/for-vets/> Questions? Email our Medical Director, Dr. Sarah Machell @ [dr.sarah@vetster.com](mailto:dr.sarah@vetster.com) for more information! Looking for more? Check out our Help Centre <https://help.vetster.com/en/>**

**Own your own practice:** Hickory, NC; Critter Tails, LLC

Are you looking for a fantastic opportunity to fly solo into your very own practice but don't want the upkeep of a building or the financial burden of a new start practice, then look no further? We have a stand-alone 2100 sq ft building that is nestled in the foothills of Hickory, NC. We are within an hour of Charlotte & even less to the beautiful Blue Ridge Mountains. Lots of outdoor activities such as hiking, biking, fishing, boating, kayaking, snowboarding/skiing, and camping are available. The North Carolina coast is as close as 5 hours away. NC climate allows you to experience all four seasons. This is a great, safe area for both singles and for those wanting to start/grow a family. The building housed Hickory Animal Hospital, a one doctor small animal veterinary practice until May 2020, when the veterinary passed away suddenly after 46 years of servicing his clients. The building is in a great location with tons of potential clientele. The building is located on Old Lenoir Rd which is getting a makeover thanks to an \$8.48 million grant from the Greater Hickory Metropolitan Planning Organization (MPO) and the North Carolina Department of Transportation (NCDOT). The Old Lenoir Walk is part of a much larger multiuse path system being developed by the City of Hickory under the Crafting Hickory

initiative and \$40 million bond referendum passed by Hickory voters. **If this unique opportunity is of interest to you, please reach out to Mark or Amy for more information. We can be reached at 828-256-3426 or [amylal76@gmail.com](mailto:amylal76@gmail.com).**

**Veterinarian:** Scottsbluff, NE; Animal Health Center of Scottsbluff

Animal Health Center of Scottsbluff, a CareVet partner, has openings for a Veterinarian in the Scottsbluff, NE area (Relief Coverage would be considered). Our partnership with CareVet provides our veterinarians with benefits such as: Competitive Compensation packages including Base Salaries with % Production, Signing and Relocation Bonuses, A Robust Benefits Package including Medical, Dental, & Vision insurance & 401k with match, Employee Assistance Program with a focus on compassion fatigue & stress support, Vision for continuous advancement of patient care and services, including company paid dues and a focus on CE opportunities. We are open to all levels of experience and even offer new graduate mentorship with on-site training and mentorship within CareVet training hospitals. Additionally, we offer relocation opportunities to other hospitals after training is completed! CareVet community hospitals offer a strong, veterinarian-focused culture. All of our practices are long established in their communities. Some have leadership looking to transition, providing medical director opportunities and open to new visions, while others have solid continuing leadership in place and looking for strong veterinarians to join in and continue driving excellent patient care and service. Experience the CareVet difference and how our 5 pillars of care allow you to focus on your practice while receiving support from experts! **Full Time/Part Time DVM:** Live Oak, FL; Caring Hands Animal Hospital of Live Oak

The Caring Hands Animal Hospital family of hospitals is looking for one to two veterinarians to join our team. We have 2 locations servicing the communities of Lake City and Live Oak, Florida with easy interstate access to Gainesville, Jacksonville, Tallahassee and Valdosta. We have great clients and skilled staff that likes to have fun during the working day. Respect and nurturing of each unique human/animal bond will bring client and job satisfaction. Both practices are AAHA accredited, paperless and equipped with all the tools you need including: digital radiography, digital dental radiography, ultrasound, in house lab suites, high-speed dental equipment, therapeutic lasers and Tonopens. Our Lake City location is also certified as Feline Friendly. As a veterinary associate, you receive mentorship on how to work up each case fully and explain pets medicine to clients so they can learn how to become great pet owners Our staff takes care of technical stuff including the computer work, case preparation and sample collection so you can concentrate on delivering the medicine and surgery needed to provide the best care for the pet and client. Our team of doctors love to work together on difficult cases and learn new skills so we can constantly improve the quality of medicine offered to our clients. If you have an interest in the business side of veterinary medicine, we would love to mentor that too. You could even be a candidate for practice buy-in! Compensation and benefits include: Pro-Sal compensation (\$90,000 base with 20% paid on production over base) with no negative accrual,

**\*\*\$7500 sign-on/moving bonus\*\***, paid time off, CE allowance (doesn't subtract from time off), 401K, malpractice insurance, licenses and dues (AAHA, VIN, plus additional of your choice), medical insurance or stipend, uniform allowance, no after-hours emergencies. New or recent grads ok. Check out our websites: [caringhandslo.com](http://caringhandslo.com), [caringhandslc.com](http://caringhandslc.com). **Please send us an email and we will forward our posting document at [manager.liveoakanimal@gmail.com](mailto:manager.liveoakanimal@gmail.com)**

**Associate Veterinarian** – Jacksonville Beach, FL; Shoreline Animal Hospital

Our family-owned veterinary clinic, Shoreline Veterinary Hospital, is a small animal practice seeking a veterinarian to join our team. We are a full service, three doctor veterinary practice located in the thriving Jacksonville Beach area. The practice was established in 1971 and has a great reputation in the community. We have expanded and modernized our services to better serve our patients and clients. Our dedicated clients are well educated and understand the need for quality veterinary care. Our cases can be complex and we work them up thoroughly offering most testing in-house, but referring when necessary. We have a dedicated office staff. This is an opportunity to join a well-established hospital with a great team that practices high-quality medicine in a positive and collaborative environment. Our fully digital (Avimark software) hospital is equipped with in-house bloodwork machines, digital x-rays, digital dental x-rays, ultrasound surgical (CO2) laser, cryoprobe, tonometry, and all of the other tools you may need to manage your patients. The position will require the applicant to work up to 4 days/week (though this is flexible depending on your needs). Our practice is "daytime only", open from 8am-6pm Monday through Friday with a break between 12pm-2pm. We are only open on Saturdays from 8am-12pm and doctors rotate weekends typically working 1-2 Saturdays per month. Successful candidates must have great communications skills, proficiency at building rapport with clients, and work well with staff. Compensation and benefits are based on experience. Come live and work next to the beach and enjoy the numerous activities that our area has to offer. If you are looking for a great position in a wonderful location, we look forward to hearing from you! Job Type: Full-time Pay: \$100,000.00 - \$125,000.00 per year. Health insurance reimbursement, CE allowance, professional dues and fees also paid. **Email Dr. Jacob Vencil at [vencilj@gmail.com](mailto:vencilj@gmail.com)**

**Small Animal Veterinarian (Charlotte, NC):** Lincolnton, NC; Lincolnton Animal Hospital – American Veterinary Group

Located just outside of Charlotte, NC, Lincolnton Animal Hospital has been serving the community of Lincolnton, North Carolina and the surrounding areas since 1983. We have a very loyal client base and we pride ourselves on our excellent customer service and veterinary care. Our 4-doctor general practice provides a full range of services to companion animals, including preventative care, surgery, medicine, grooming, boarding, and more. Our 5,000 square foot facility boasts 7 exam rooms, digital x-ray, K-laser, and full in-house IDEXX labs. We also offer acupuncture as an alternative therapy for some of our patients! We are excited to add an Associate Veterinarian to our team! This position would be a great opportunity for a newer graduate looking for mentorship from experienced veterinarians, as well as an experienced veterinarian looking to grow their clientele within our practice. Benefits include: competitive compensation (base salary or ProSal); comprehensive healthcare coverage; three (3) weeks' PTO; three (3) CE days; CE allowance for courses/travel; paid state license fees; paid AVMA and state professional dues; paid DEA; PLIT with license defense; short-term and long-term disability insurance; life insurance; company-wide messaging support platform to share cases/ideas. **Email [lrust@americanveterinarygroup.com](mailto:lrust@americanveterinarygroup.com).
