Featured Employer: Veterinary Emergency Group

EARLY ENTRY TRACK

Are you a recent graduate who is passionate about veterinary emergency medicine? Have you reconsidered doing a traditional rotating internship because it doesn't seem to be the best fit? Early Entry Track (EET) could be the opportunity you're looking for. EET is a hands-on, in-depth, 6-month emergency-focused mentorship program that transitions into a full-time Emergency Doctor position with Veterinary Emergency Group.

SALARY & BENEFITS: Paid 6-month emergency training. Practicing emergency doctor: \$100,000 + production, Professional liability insurance (PLIT), Medical, dental, and vision insurance, a matching 401(K) plan, Unlimited continuing education, and Professional licensing fees, association membership fees, VIN account, and more.

HOW EARLY ENTRY TRACK CAN BOOST YOUR CAREER: It's not an internship—it's a job. You'll get to work right alongside highly skilled and experienced medical directors and emergency doctors on every shift. You'll receive advanced training that will give you the clinical experience and confidence you need to succeed. We'll teach you best practices for client-centered care and communication

LEARNING OPPORTUNITIES VEG will provide you with extensive CE training that includes: Abdominal ultrasound courses, Hands-on cardiology experience, Core surgery procedures, Off-site imaging experience, Critical care experience, Daily case rounds, Journal club, and other CE allowance
