

Hello Students & Alumni,

This is your next edition of the UF CVM Career Job Postings sent on the first and third Friday of every month. Unless an employer re-submits their position, these postings only appear in one email, so make sure to read each email to stay up-to-date on available positions!

Tip of the email: The match has officially opened for the Class of 2021. Check out the options for internship and residency here <https://www.virmp.org/> Be sure to check out past successful UF CVM Match Documents from past classes in your Pro DVM Canvas Course under Resources and UF CVM Student Career Resource Book. You can find CVs, resumes, personal statements, diversity statements and more! Also, do you know what your letters of recommendation will be asked? Check out the [previous recommender form](#) to know how and what to prep them on!

Enjoy your weekend,
UF CVM Careers

FEATURED JOB POSTING: [Get a Vet Staffing](#)

New Grad Associate Position: Multiple Locations; Get A Vet Staffing

Get A Vet Staffing's hospital partners across the country are eager to hire New Grad Associate Veterinarians. Apply for this role and we'll get in touch to schedule a call to review your position and location preferences. We work with both large hospital communities and small private practices to place talented veterinary professionals. Our partners represent a spectrum of medical specialties. They offer competitive compensation and benefit packages, mentorship opportunities and supportive work cultures. Many focus on scheduling with work/life balance priorities in mind. We can't wait to tell you more! **Apply here:** <https://getavetstaffing.zohorecruit.com/careers> and choose **New Grad Associate Veterinarian**. *Alumni are welcome to apply for any other opportunity listed.

DVM EXTERNSHIP

Student Extern: Multiple Locations in Indiana; Coyne Vet Services, Ltd.

Come join us for an unmatched opportunity to develop your professional skills in one of our fast paced, non appointment, contemporary hospitals! We focus on mentorship and development through a hands on style of teaching at all of our Northwest Indiana locations. You will be guided by an experienced team of doctors whose knowledge and individual attention will help you learn to deliver the highest standard of compassionate veterinary care while also developing your client communication skills. *Program Structure* We offer flexible externships that range from two to eight weeks year round, all set to align with your availability. Often you will be scheduled Monday-Friday days so you can explore the normal daily life and caseload of a busy general small animal practice. *Responsibilities* Under the direct supervision of a rotating team of experienced doctors you will be exposed to various methods of

practice and teaching styles, ensuring that you achieve your maximum growth and potential. You will assist in working up cases, developing diagnostic plans, providing general wellness care, refining technical skills, writing medical records, expanding your client communication skills, scrubbing into surgery and potentially even helping with rehab and reproductive procedures depending on which hospital you are externing at. ***Who you are*** We are looking for dynamic, enthusiastic current veterinary students who will uphold the professional and ethical standards of care our practices strive to deliver to all patients. When you are externing with us you become part of the Coyne team and are expected to represent the core values we consistently represent. You must be: insured by SAVMA or another similar entity, in good academic standing with your school, eager to learn and take on new challenges and eventually considering work in a small animal practice as one of your career options. ***What we offer*** Hourly rate or weekly stipend. Housing available at some locations. Hands on practice, training and mentorship from accomplished DVMs. Access to the newest equipment, including rehab, ultrasound, and modern in house labs. Unlimited growth and learning potential in fast paced non appointment hospitals. **Contact us today to inquire more about the opportunities that await!**

DVM FULL TIME

Associate Veterinarian: Reading, MA; Reading Animal Clinic

Reading Animal Clinic is looking to add a full or part time veterinarian to our growing owner-operated small animal hospital in Reading, MA. We are looking for someone interested in growing with us and interested in practicing high-quality medicine while maintaining a work-life balance. RAC offers full service medical, surgical and dental treatments to our canine and feline patients. We are a 5 doctor practice with a cohesive team who truly loves what we do. We have many tools that allow us to be progressive, including a new ultrasound machine, In house lab equipment, a LiteCure Companion therapy laser, digital X-Ray, dental X-Ray. In addition, we are currently designing our new state of the art 10,000 sq. foot building to accommodate our growing practice. Our clientele value our progressive medicine while maintaining a personal touch. We are committed to employing a team of empathetic, professional, detail oriented employees. This currently includes 34 employees 8 of whom are CVTs. Experience is preferred, but a new graduate will be considered. **Interested candidates please contact davidshurland@gmail.com for more information.**

Associate Veterinarian: Kennesaw, GA; My Pet's Vet Kennesaw

My Pet's Vet, a growing small animal day practice in Kennesaw, Georgia, is looking for the right doctor to join our team. My Pets Vet offers the characteristics of a modern practice including in house lab, digital x-ray, electronic medical records, ultrasound, cold laser, high-speed dental and dental x-ray with a focus on continuing education, benefits, great compensation, and high-quality medicine. Our robust wellness plans promote a lifetime of health for our patients. While we have all that, more importantly, we are looking for someone that fits our enthusiastic and passionate culture. Someone that is inspired daily by the care they provide pets and their families. Inspired by the up-lifting relationships they have with their co-workers through a shared mission of healthy pets and happy pet-parents as well as a culture of being a partner with our community by providing medical care to shelter pets and finding forever-homes through hosting adoption days. We are focused on supporting the doctor with a quality team allowing the doctor to be highly productive. We work hard to create a pleasant work atmosphere and ensure that our staff is happy with a focus on work-life balance. **Interested candidates please contact LandonSparks@mypetsvetgroup.com for more information.**

Associate Veterinarian: Fort Lauderdale, FL; Victoria Park Animal Hospital

Victoria Park Animal Hospital is looking for a full-time Veterinarian to diagnose and treat our clients' animals at this popular state-of-the-art animal hospital in Downtown Fort Lauderdale. Our clinic specializes in dogs, cats and occasionally smaller animals. Your day-to-day as a Vet includes treatment and diagnosis, performing surgeries, spaying and neutering animals, and prescribing medicine from our full service pharmacy. If you love being around animals and are committed to offering them the best possible healthcare, we'd like to meet you. You will act as the point of contact for pet owners, whether it's to treat illnesses and injuries or to advise on animal nutrition and general care. Responsibilities
Examine animals and check their health status
Diagnose illnesses and determine the best treatment
Dress wounds of injured animals
Perform and/or oversee general surgeries
Vaccinate animals to prevent diseases
Spay and neuter cats and dogs as needed
Prescribe medication
Advise pet owners on nutrition, preventive healthcare and general care
Update client records
Skills
Work experience as a Veterinarian, Veterinary Technician or Veterinarian Assistant
Experience conducting various types of surgeries, vaccinations and health checks on animals
Knowledge of medical equipment (e.g. X-ray machines) and anesthesia procedures
Problem-solving skills
Excellent communication skills with the ability to explain medical terms and conditions using simple language
Availability to take weekend shifts
Patience and a love for animals
Doctor of Veterinary Medicine (DVM) degree. **Interested candidates please email lobetr13@gmail.com for more information.**

Associate Veterinarian: Palm Bay, FL; Oakview Animal Hospital

Are you looking to live near the beach and have a schedule that leaves time to enjoy it? Have spouse/partner/ friend or other great vet colleague looking to make a change too?? We are looking for 1-2 veterinarians to join our team at Oakview Animal Hospital in sunny Palm Bay, on Florida's famous Space Coast. Highlights: - We are a growing general practice that provides high quality, progressive medicine in a warm, friendly environment. - We are fully computerized with Cornerstone electronic records, have digital radiology (brand new Idexx DR system installed in October 2020!), full suite of Idexx lab machines including the Procyte and Sedivue analyzer, and a class 4 therapy laser. - The schedule is four to four and a half days a week---NO on-call, NO after-hours emergencies, NO evening hours, NO Sundays (YAY!!!!)--- you'll have ample time for enjoying the many outdoor activities our area is known for. The ideal candidate would have 1+ years of experience and be proficient in basic wellness, internal medicine, dermatology, dentistry and surgery. New graduates will be considered depending on experience and mentoring needs. Special interests such as acupuncture/ chiropractic/ ultrasound/ exotics/ etc. are encouraged-- let us know what we can do to support your career growth! Benefits: PTO; Licensure/DEA compensation; CE allowance; retirement; healthcare stipend Perks: We will help with relocation costs and are offering a signing bonus to secure a great candidate! Other Perks: Our area boasts beautiful beaches and lagoons, ALL the water sports, and where else can you see a rocket launch from your yard?! Housing options from beachside bungalows to downtown lofts to acreage in the country—all within a short drive to the clinic. It's a great place for families and young professionals with a small-town feel, but just an hour from all the city benefits of Orlando. We recognize the need for work-life balance in our profession, and prioritize this balance for mental health and career longevity. **Please send inquires to ncsuvetpaul1@yahoo.com** Visit our website <https://oakview-animalhospital.com/> and connect with us on Facebook/ Instagram @OakviewAnimalHospital

Animal Health and Welfare Veterinarian: Saskatchewan, Canada; Ministry of Agriculture

The Ministry of Agriculture has a permanent full time opportunity for a veterinarian with strong interest in and knowledge of animal health and welfare and who can work collaboratively with various stakeholders to advance animal health and welfare in the province. The job will be staffed in either Regina or Saskatoon. As the Animal Health and Welfare Veterinarian, you will collaborate and consult with industry, government and academic stakeholders to coordinate, develop and implement

programming related to prevention, preparedness, detection and response to animal health and animal welfare issues. Participate in and make recommendations for policy/legislation/regulation reviews, amendments and updates. Oversee the Ministry's responsibilities and accountability for enforcement of *The Animal Protection Act*; and develop and coordinate communications and training for the public, producers, animal protection officers and veterinarians on animal welfare.

The ideal candidate will have a degree in veterinary medicine and eligibility for membership in Saskatchewan Veterinary Medical Association. Post-graduate training in ethology, epidemiology or disease control would be an asset, but is not required. Regulatory experience acquired through government employment, working as an accredited veterinarian, auditing producer assurance programs, laboratory accreditation or other. The ability to provide/obtain/exchange clear and accurate information in both formal and informal settings to a variety of people (e.g. community, clients, colleagues, service providers, ministry, other governments, industry) in a manner appropriate to the audience. The ability to verbally and in writing explain programs, policies, procedures and regulatory matters to a variety of audiences. The ability to accurately reference and interpret acts, regulations, policies and guidelines. The ability to anticipate, identify and evaluate the potential impact/implications of changes in the external/internal environment on government activities. The ability to analyze trends and issues, identify and develop options and solutions, and make policy recommendations in order to meet ministry goals and client needs. A valid Saskatchewan class 5 driver's license; and the ability to work and travel throughout the Province of Saskatchewan. The successful candidate must be a team player, able to both lead and collaborate and have innovation in their work. We are committed to workplace diversity.

Associate Veterinarian: Gulf Breeze, FL; Parkway Animal Hospital

Parkway Animal Hospital is hiring for a new full-time associate veterinarian (though part-time positions could be discussed) in the beautiful Pensacola, Florida area! New grads are welcome to apply and we are happy to provide mentorship. We are a busy, predominately small animal clinic located in the city of Gulf Breeze, the peninsula between Pensacola Beach and the bustling growing city of Pensacola. We enjoy a small town feel here and have a very loyal, friendly, trusting, educated, and wealthy clientele base. We love being able to offer ultrasound, dental radiology, digital radiology, and full in house lab work and Idexx reference lab services to clients that are willing to go the extra mile to help keep their pets healthy! We are also fortunate to have a CVT program here locally at Pensacola State College, so currently we have 5 wonderfully trained CVT nursing staff in addition to a couple of dedicated vet assistants. We currently have 2 full-time veterinarians and one single morning per week/relief veterinarian. We certainly could use more help! Last but not least, we are working towards Fear Free certification as a practice as well as adding acupuncture and rehab services. We enjoy working the Fear Free way as both staff, pets, and clients are much happier and work is more satisfying each day. **If you are interested, please send your resume to our practice manager Ami at parkwayanimalhosp@gmail.com or send me a message if you have more questions.** We look forward to meeting you!

Emergency Veterinarian: Hagerstown, MD; Mountain View Animal Emergency

If you are a new or recent graduate, MVAE has the experience and support systems in place to provide you with a mentorship program that will set you up for success in emergency medicine. Instead of an internship that will barely pay the bills, we want to provide you with a real salary and the opportunity to be part of a family that desires to help you reach your goals. **Interested candidates please email brittany@mvavet.com**

FT or PT Associate Veterinarian: Fort Meyers, FL; Animal General Hospital

Animal General Hospital in sunny Fort Myers is in search of the perfect fit. We are a 3 female doctor private practice, 2 UF grads and a Purdue grad with a combined over 50 years' experience looking to work with someone full or part time. Our 4,000 sq ft facility is 3 years old with 6 exam rooms, one specifically for cats and one for euthanasia or acupuncture. Our facility has the potential to expand. Our practice is founded on preventative medicine and client education. Our nurses are highly educated and available to help at all times with a nurse to Dr ratio of 2:1. Our procedures focus on soft tissue surgery and dentistry. We have a healthy relationship with the local referral hospitals for overnight care and specialty procedures. We are excited to mentor if needed. At the moment we are seeing over 100 appointments a week and are growing by leaps and bounds. We maintain an excellent reputation in our community. A full time Associate on pro-sal can expect to make approximately 100k. Benefits include a simple IRA with a 2% match, access to healthcare with a stipend, dues for subscriptions paid, licenses paid, CE paid, pet care at cost and a family oriented environment with an extreme emphasis on work life balance, 4 day work week with alternating Saturdays, 3 weeks paid vacation, and the best team out there! We cannot wait to meet the newest member of our family! **Interested candidates please contact Animalgh@gmail.com**

Associate Veterinarian: Orlando, FL; OrlandoVets

We are looking for an associate veterinarian to join a family-owned group of practices that serve the Orlando, Florida area. Alafaya Trail Animal Hospital, Corrine Drive Animal Hospital, Maitland Animal Hospital, and Eastwood Animal Hospital are full-service companion animal practices owned and operated by Dr. Enrique Duprey and Dr. Jessica Lannes. Become a part of an amazing veterinary team, elevating our profession, without the corporate influence. Our mission is to enrich the quality of lives of pets and their families through personalized partnerships. Our core values of passion, communication, trust, respect, teamwork, and empowerment are the driving forces in fulfilling that purpose. For candidates aligned with our mission and values, we can offer unparalleled mentoring and opportunities for growth. Flexible work scheduling options and no after-hours emergency call duty will allow quality of life and enjoying Florida's amazing attractions. Come live and work near Florida's finest entertainment and dining; where a short drive will take you to Florida's finest beaches; and where endless types of outdoor activities can be part of your new lifestyle in the Florida sun! We offer a competitive salary and benefits package which includes health insurance, long-term disability insurance, and continuing education allowance. **Please submit application inquiries and CV to drlannes@orlandovets.com**

Associate Veterinarian: Jacksonville, FL; Switzerland Animal Hospital

We are looking for an energetic and competent full or part time veterinarian. Switzerland Animal Hospital is a full service, privately owned, small animal hospital. We are located in one of the most beautiful and fastest growing waterfront communities in NE Florida. St. Johns County is known for its pristine beaches and exceptional school system. We are fortunate enough to have a very dedicated and competent staff. Our clientele is educated, loyal and compliant. Many of them have been with us for over 30 years. Our focus is on high quality medicine, excellent communication and continued mentoring with a team oriented approach and no after hours emergencies. We provide Force Triad Ligasure, CO2 and therapy laser, Brymill Cryogenic System, GE Logiq ultrasound as well as standard and dental digital radiography. We have access to numerous local CE programs and have an excellent working relationship with our surrounding colleagues. This includes various specialty hospitals and emergency care facilities. The base salary for the full-time position pays between \$75k and \$130k (commensurate with experience) plus prosal bonus. Other benefits include CE and healthcare allowance, paid professional dues and licensing, vacation, paid holidays and 401k. A minimum of 2 years experience in a small animal setting or a rotating internship is required. An interest in surgery and dentistry is desired. Our Mission is

to Provide Exceptional Veterinary Care in a Compassionate and Professional Environment. We are in the final stages of planning our new and larger AAHA facility which has a move-in date of Summer 2021. We are offering a buy-in option after 2 years and full ownership after 5 years for the right colleague. **Please contact Michael Bredehoeft, DVM at docbsah@gmail.com.**

Associate Veterinarian: Daytona Beach, FL; My Pet's Wellness

Compensation: Above market base compensation and a comprehensive benefit package including medical, dental, vision, CE and generous PTO. Our internal DVM support network provides in house CE, leadership development opportunities, commuter benefits, and more. My Pets Wellness has an immediate opening for an Associate Veterinarian to join our growing team! The My Pets Wellness team is dedicated to creating a culture that prioritizes our team members mental health and overall wellbeing. The personal and professional wellness of our employees is truly at the forefront of everything we do. From our nationwide veterinary support group to our dedicated Director of Wellness, we are invested in our team members feeling supported, fulfilled, and balanced. Our hospital networks include primary hospitals fully equipped with everything from digital dental radiography to ultrasound. Hub hospitals are supported by satellite clinics that can provide outpatient care to an expanded area of clients. Our clinics are smaller in footprint and do not have surgery or radiology, but with our cloud-based records, patients can easily be sent to our primary hospital for advanced procedures and diagnostics. We strive to give our team the best staff, best equipment, and best clientele to make sure you continue to love your job every day. **Interested candidates please contact meldred@petswellness.co**

Full Time Veterinarian: Union City, GA; Shannon Parkway Animal Hospital

Full time veterinarian needed for a well established small animal hospital. *Must be able to work independently* Salary commensurate with experience. **Interested candidates please contact Dr. Mohammed Jaleel: (678)-779-5354; workforSPAH@gmail.com**

Full Time/Part Time DVM: Live Oak, FL; Caring Hands Animal Hospital of Live Oak

The Caring Hands Animal Hospital family of hospitals is looking for one to two veterinarians to join our team. We have 2 locations servicing the communities of Lake City and Live Oak, Florida with easy interstate access to Gainesville, Jacksonville, Tallahassee and Valdosta. We have great clients and skilled staff that likes to have fun during the working day. Respect and nurturing of each unique human/animal bond will bring client and job satisfaction. Both practices are AAHA accredited, paperless and equipped with all the tools you need including: digital radiography, digital dental radiography, ultrasound, in house lab suites, high-speed dental equipment, therapeutic lasers and Tonopens. Our Lake City location is also certified as Feline Friendly. As a veterinary associate, you receive mentorship on how to work up each case fully and explain bets medicine to clients so they can learn how to become great pet owners Our staff takes care of technical stuff including the computer work, case preparation and sample collection so you can concentrate on delivering the medicine and surgery needed to provide the best care for the pet and client. Our team of doctors love to work together on difficult cases and learn new skills so we can constantly improve the quality of medicine offered to our clients. If you have an interest in the business side of veterinary medicine, we would love to mentor that too. You could even be a candidate for practice buy-in! Compensation and benefits include: Pro-Sal compensation (\$90,000 base with 20% paid on production over base) with no negative accrual, **\$7500 sign-on/moving bonus**, paid time off, CE allowance (doesn't subtract from time off), 401K, malpractice insurance, licenses and dues (AAHA, VIN, plus additional of your choice), medical insurance or stipend, uniform allowance, no after-hours emergencies. New or recent grads ok. Check out our websites: caringhandslo.com,

caringhandslc.com. **Please send us an email and we will forward our posting document at manager.liveoakanimal@gmail.com**

Veterinarian: Clinton, CT; Shoreline Animal Hospital

Shoreline Animal Hospital, a CareVet partner, has openings for a Veterinarian in the Clinton, CT area (Relief Coverage would be considered). Our partnership with CareVet provides our veterinarians with benefits such as: Competitive Compensation packages including Base Salaries with % Production, Signing and Relocation Bonuses, A Robust Benefits Package including Medical, Dental, & Vision insurance & 401k with match, Employee Assistance Program with a focus on compassion fatigue & stress support, Vision for continuous advancement of patient care and services, including company paid dues and a focus on CE opportunities. We are open to all levels of experience and even offer new graduate mentorship with on-site training and mentorship within CareVet training hospitals. Additionally, we offer relocation opportunities to other hospitals after training is completed! CareVet community hospitals offer a strong, veterinarian-focused culture. All of our practices are long established in their communities. Some have leadership looking to transition, providing medical director opportunities and open to new visions, while others have solid continuing leadership in place and looking for strong veterinarians to join in and continue driving excellent patient care and service. Experience the CareVet difference and how our 5 pillars of care allow you to focus on your practice while receiving support from experts! CareVet's 5 Pillars of Care: Practice Legacy, Veterinarians, Teams, Patients, Community. Being veterinarian-focused means dedication to veterinarians at all stages of their career! We are open to all levels of experience and even offer new graduate mentorship with on-site training and mentorship within CareVet training hospitals. Additionally, we offer relocation opportunities to other hospitals after training is completed! This is a fantastic time to join our network! Become part of our fast-growing support system and receive the benefits that come with the CareVet community! **Visit <https://jobapply.page.link/kCfB>**
