

# University of Florida College of Veterinary Medicine

## DVM Curriculum Comparison - Year 1

Please use the following template to compare the curriculum at your current veterinary school with the curriculum at the University of Florida. List the equivalent course(s) at your current school, as well as a description of the course(s) and any potential discrepancies or deficiencies. You are welcome to include a copy of the course syllabus from your current veterinary school for any of the courses you listed.

<b>UF CVM Course Name and Number</b>	<b>Equivalent Course(s) Name and Number</b>	<b>Description of Equivalent Course(s) including the number of credit hours for each course listed. Please indicate any potential discrepancies or deficiencies.</b>
<p style="text-align: center;"><i>VEM 5101 Small Animal Anatomy (Fall)</i></p>		
<p style="text-align: center;"><i>VEM 5110A Veterinary Endocrinology (Fall)</i></p>		
<p style="text-align: center;"><i>VEM 5110B Veterinary Hematology and Immunology (Fall)</i></p>		
<p style="text-align: center;"><i>VEM 5110C Introduction to Ophthalmology (Fall)</i></p>		
<p style="text-align: center;"><i>VEM 5110D Veterinary Neuroscience (Fall)</i></p>		
<p style="text-align: center;"><i>VEM 5115 Veterinary Histology and Embryology (Fall)</i></p>		

<p>VEM 5131 Veterinary Molecular Biology (Fall)</p>		
<p>VEM 5150 Veterinary Parasitology (Fall)</p>
