UNIVERSITY of FLORIDA

DOCTOR OF VETERINARY MEDICINE
State-Funded Acceptance Form
Entering Class of 2030

The University of Florida College of Veterinary Medicine (UFCVM) has State-Funded and Self-Funded student positions in the Entering Class of 2030. State-Funded and Self-Funded students both proceed through an identical curriculum and receive the same high-quality education.

Place initial to indicate your decision:

_____ I accept my seat as a State-Funded student in the UFCVM Class of 2030.

Please initial by each of the terms and conditions listed below to indicate your understanding and agreement:

_____ I understand that this is a State-Funded position at the University of Florida College of Veterinary Medicine in the Class of 2030 (Fall 2026 start term).
_____ I understand that tuition for State-Funded positions is subject to change each year according to the University Board of Trustees tuition policy.
_____ I understand that residency (which determines tuition/fees) is determined by the University of Florida Office of Admissions and not by the College of Veterinary Medicine.
_____ I understand that if the University of Florida Office of Admissions determines that I am not a Florida resident by July 31st, 2026, then I will receive a Self-Funded student position for the duration of the DVM program, regardless of any changes in residency status while in veterinary school.
_____ I understand that books, supplies, living expenses, personal expenses, and transportation are additional expenses included in the total cost of attendance and are the same for all UFCVM students.

_____ I decline my seat in the UFCVM Class of 2030.

We encourage you to carefully review the terms of this document and return the initialed, signed and dated form to the Office of Admissions via email prior to the deadline in your offer letter.
